Vol. 16. No. 214

Rushville, Indiana, Thursday Evening, Nov. 20, 1919

TEN PAGES TODAY

PEACE TREATY WILL BECOME EFFECTIVE BY DECEMBER 1

Supreme Council Decides Enough
Nations Will Have Accepted
The Pact by That Time

ATTENTION ON WHITE HOUSE

President Will Withdraw Treaty and
Present it to Next Congress.
It Is Believed

SENATE THRICE REJECTS IT

Failure Knocks Ground From Under
Hope That There Would be a
Wet Christmas

(By United Press.)

Paris, Nov. 20.—The peace treaty
will become effective by December
1, the Supreme council decided to-
day.

Nations which have accepted the
treaty will exchange formal ratifica-
tion in time for the pact to become
effective on that date.

Washington, Nov. 20.—The na-
tion's attention was riveted on the
White House today for the next
move in the peace treaty battle.

Friends of President Wilson can-
not believe he will swallow defeat on
the treaty and leave of nations in the
interest of which he has sacrificed
his health.

The president is understood today
to be working on a statement to the
people declaring that chaos con-
fronts the world as the result of
the treaty failure, that it is a vic-
tory for Bolshevism and Germany
and putting the blame on leaders of
the opposition in the senate. His hot-
test shot may be reserved for his
message to the regular session of
the congress to which he intends to
submit the treaty.

One of the first moves he will take
will be to withdraw formally the
treaty from congress so that it may
be presented again. Failure of the
treaty knocked the ground from un-
der the hope that there would be a
wet Christmas. The only wish of the
pact was that on the proclamation
of peace the war time prohibition
law would be lifted, but this seems
hardly probable.

The administration today only
waited the world's reaction to the
treaty defeat.

Government officials believed it
could be a severe shock to other na-
tions which participated in the mak-
ing of the treaty because America
took a leading part throughout and
now refuses to accept the document.
President Wilson, himself, is
known to believe that with the United
States standing aloft Europe is
able to be plunged into another war
worse than the one just ended, and
in which this country will again be-
come involved.

Senators Hitchcock and Under-
wood called at the White House this
morning but were unable to confer
with Secretary Tamm. Hitchcock
said he intended to call again in the
afternoon.

Hitchcock's comment on the de-
feat of the treaty is as follows: "At
least we are still alive."

MAKE AN OFFER TO MINERS

Operators Agree to Increase in
Wages For Strikers.

(By United Press.)

Washington, Nov. 20.—Coal op-
erators here today made the first of-
fer of increase to miners, 400,000
of whom are on strike.

The offer includes an increase of
5 cents a ton to machine miners
who are paid on piece basis and an
increase of 20 per cent to other
workers paid by the day.

LET PORCH LIGHTS BURN

Several Violate Instructions From
Council to Save Current

Chief of Police Wilfong stated
today that several people living in
the residence part of the city last
evening overlooked the ruling made
by the city council, demanding that
there should be no porch lights left
burning, unless they were needed.
The police were told by the city
council to warn the violators, and
if any were found disobeying the
ruling, the electric current would be
turned off. Last night the police
told six or seven people who had
carelessly left the lights on.

LT. HITT PERFORMS FOR FRIENDS HERE

Rushville Boy Loops the Loop and
Does Nove Dive in Airplane
This Afternoon.

DOWN FOR A SHORT VISIT

Lieut. Joe Hitt of the Speedway
"dropped in" for another visit this
afternoon and performed a few
"stunts" over Rushville for the edi-
fication of his fellow townsmen.
When within sight of Rushville, he
looped the loop several times. Sev-
eral persons observed the perform-
ance in the air and soon everyone on
the downtown streets was straining
to get a glimpse of the aviator to
see if anything else spectacular was
to be done.

Lieut. Hitt circled over the north
part of Rushville and then as he
soared over the court house, he
started in a nose dive. It was so
perfect that many persons thought
the ship was out of control and that
the aviator would be crushed. But
he soon righted the plane and circled
gracefully around the court house
and landed in Boyd's field.

Lieut. Hitt was accompanied by a
sergeant from the Speedway. He
was planning to leave shortly after
three o'clock this afternoon.

DEMANDS REMOVAL OF SHELBY SURVEYOR

Field Examiner of State Board of
Accounts Files Charges Against
George Oltman

COMPLAINTS CAUSE PROBE

(By United Press.)

Indianapolis, Ind., Nov. 20.—De-
mand that George Oltman, surveyor
of Shelby county, be removed, and
that the grand jury make investi-
gation of the conditions of the roads
of that county, was made by L.
Donaldson, field examiner of the
state board of accounts, today.

Donaldson charged officials of
Shelby county with law violation
and charged that they changed road
specifications several times without
due procedure.

The road work which Mr. Donald-
son inspected is in Hanover town-
ship. Frank Fagel, auditor of Shel-
by county, also was involved in the
charge.

The investigation was made as
the result of complaints of the tax-
payers of that township.

BUYS CITY PROPERTY

Mrs. Lavina R. George, who has
been living in the southside of the
Megee property in North Main
street, has bought property of Ros-
coe Brooks, 418 West Fifth street.

ADVISING SEIZING MINES

Gov. Harding of Iowa Urges Gov-
ernors of 9 States to Act.

(By United Press.)

Des Moines, Ia., Nov. 20.—Gov-
ernor Harding of Iowa today sent a
letter to governors of the soft coal
producing district, recommending
state seizure and operation of the
mines in an effort to end the miners
strike.

The message was sent to the of-
ficials of Illinois, Indiana, Missouri,
Kentucky, Tennessee, West Virginia,
Pennsylvania, Kansas and Ohio.

SOFT COAL SUPPLY AT LOW EBB TODAY

Many Utilities in State Are on Point
of Closing. Service Commis-
sioner Lewis Says.

ROADS CUT THEIR SERVICE

(By United Press.)

Indianapolis, Ind., Nov. 20.—With
the Indiana coal fields still idle from
the miners strike, the soft coal sup-
ply of the state dwindled to a low
ebb today. Utilities throughout the
state are preparing to withstand
the increased seriousness of the
shortage of bituminous fuel.

E. L. Lewis, chairman of the pub-
lic service commission, announced
that many utilities were on the point
of closing because they were unable
to obtain coal.

The street car service was cur-
tailed today, having only 15 to 20
days' supply on hand. Railroads cut
down their service and many men
were laid off from work as the result.
The traction lines out of Indianap-
olis have reduced their schedules.

NEW MAIL BOXES RECEIVED

Old Ones Will Also be Reprinted by
Lowest Bidder

The local postoffice has announced
that they will receive bids during the
next ten days from people who wish
to paint the city mail boxes located
on various corners. The plans and
specifications may be had from As-
sistant Postmaster Brogan. The bids
will also include the erection of
eight additional boxes, which will be
fastened to the electric light poles.

The postoffice has received three new
boxes of the latest type which will
be located on the pedestal light poles
in the business district. The new
boxes for the business district are
big ones especially adapted for de-
positories where heavy mail is left.

People Violated Speed Ordinance Over 30 Years Ago in Rushville

It Was Quite The Custom to Drive
Old Dobyn Through Ruth Street
at a Speed Greater Than 8 Miles
an Hour—Fines Ranged From 5
to 50 Cents.

DRUNK CASES QUITE FREQUENT

People paid fines in Rushville over
30 years ago for violating the speed
ordinance. They paid fines long be-
fore the automobile was invented. In
the year 1888 the police court, which
was then the mayor's court, was
busy handing out fines to people who
violated ordinance number 22—ex-
ceeding the speed limit.

If old Dobyn would become gay,
or its master who had probably im-
bibed too heavily of the stuff which
used to be purchased at five cents a
drink, had urged the animal on, he
would violate the speed ordinance as
it were—and still is.

Now it seems that Ruth street in

RED CROSS TOTAL SHOWS INCREASE

Membership For 1920 Now Totals
2,363. With No Reports at All
From Three Townships.

HOPES TO CLOSE THIS WEEK

County Chairman Urges All Chair-
men and Other Workers to
Report by Saturday.

Red Cross Roll Call officials today
had visions of the 1920 membership
going above three thousand, with the
total standing at 2,363, a gain of
155 over yesterday's total. Not a
single membership has been reported
from either Ripley, Union or Center
townships, which, together with dis-
tricts in Rushville township which
are still out, are expected to raise
the membership enough to reach
three thousand.

A. L. Riggs, county Roll Call
chairman, today issued an appeal to
all county chairmen, district cap-
tains and local canvassers to com-
plete their work and report by Sat-
urday so that the campaign may be
closed this week. It has now
dragged several days beyond the
date to which the Roll Call was ex-
tended last week.

The only big number of member-
ships in today's report came from
the west side of Walker township,
from which no report had ever been
received. The east half of the town-
ship has already been canvassed and
168 members were reported from
there Nov. 11. With the 146 ob-
tained on the west side, the total for
the township stands at 214.

The remaining nine members re-
ported today were sent in by J. M.
Altop, a canvasser in Rushville
township outside the city.

"We want all the 1920 Red Cross
members on the record by Satur-
day," said Mr. Riggs today, "so that
we can close the campaign this
week. Undoubtedly, many people
will regret it if they do not continue
in the Red Cross. They lose sight
of the fact that there are thousands
of crippled soldiers in this country
who require constant care and that
the Red Cross must see them
through. Our duty to the men who
bought in this war is not finished."

Where canvassers have failed to
cover their districts, Mr. Riggs
urges that Red Cross members call
at headquarters in the recorder's
office and renew their memberships.
He points out that it is their Red
Cross as much as anyone's and that
it is their duty and privilege to up-
hold and sustain it.

Ten out of the 25 district cap-
tains in Rushville township have not
reported a single renewal. It is es-
sential that they do so.

MYSTERY OVER CAR THICKENS

Shortly After Replevin Suit Holding
Stutz is Dismissed, C. E.
Binkley is Arrested

LIQUOR FOUND IN MACHINE

He Gives Bond For \$500 and Leaves
For St. Louis—No Explana-
tion For Dismissing Suit

The mystery surrounding the big
touring car which was detained here
on a replevin suit filed by the At-
las Security Company, of Kansas
City, Mo., against E. G. Spears,
Walter Binkley and O. F. Bussard
was thickened late yesterday after-
noon, when the plaintiffs dismissed
the case, and the brother of the
Binkley man named as a defendant,
C. E. Binkley, was arrested on a
charge of having in his possession
liquor for the illegal purpose of sell-
ing.

Late yesterday afternoon the at-
torney for the Securities company
appeared in the clerk's office and
filed a petition for dismissal of the
case, which was granted by the
court, and the costs assessed to the
defendants, Spears and Binkley. The
costs were paid.

Within thirty minutes after pay-
ing the costs, the brother of the de-
fendant, C. E. Binkley, was brought
into court on a bench warrant,
charging him with having in the
machine intoxicating liquor for il-
legal purposes.

Binkley was considerably sur-
prised and stated that he knew
nothing of the liquor and said that
the garagemen would vouch that
they had not seen any in the
machine.

The sheriff when he searched the
car, found whiskey packed inside of
the curtains at the top of the ma-
chine and in the sidepockets.

The back seat of the machine also
contained billiard table supplies such
as green covering, cut balls, chalk
and other things common to a bil-
liard table. Spears, it is said, by
many here who know him, that his
father is an expert billiard player in
Indianapolis, which might account
for the contents of the machine.

Binkley when arraigned late yester-
day afternoon before Judge
Sparks, showed some emotion, and
entered a plea of not guilty, stat-
ing that he was innocent of any-
thing connected with the whiskey.
He stated that his wife was critical-
ly ill at St. Louis, and left here in
the machine for that city.

Binkley's bond was fixed at \$500,
which was furnished in the form of
a \$500 Liberty Bond of the Fourth
issue, with the coupons annexed.
The date of his trial has not yet
been fixed.

Before leaving here in the car
last night, he had the county clerk
issue him a certified receipt show-
ing that the costs in the case had
been paid and the suit for replevin
dismissed, as he expected to be held
up in other cities, as word of the
stolen car had been sent to every
city in many states.

With the dismissal of the suit, the
mystery as to the ownership of the
machine is not solved, and the find-
ing of the "booze" in the car only
deepens the case, which promises to
become very interesting before it
is closed.

I. & C. SERVICE TO BE CURTAILED

Only Six Cars a Day Will be Run
Each Way, Beginning Tomor-
row Morning at 6 O'clock

ONE EVERY THREE HOURS

Current For Lights Will be Cut Off
Monday if Saving is Not Ef-
fected by That Time

+++++
Owing to the order for con-
serving coal and fuel, the drug
stores of this city will close at
eight o'clock each evening until
further notice.
+++++

The shortage of coal due to the
strike of miners is responsible for a
curtailment of the service on the
Indianapolis & Cincinnati Traction
company, effective tomorrow morn-
ing, and may result in the light ser-
vice being cut off in Glenwood, Mil-
roy, Homer, Manilla and Arlington,
as well as other small towns along
which the I. & C. supplies with cur-
rent by the traction company.

Only six cars will be run each way
a day on each division, the first one
leaving terminals at 6 a. m. and last
one at 9 p. m., with one every three
hours between 6 and 9.

With the miners evidently deter-
mined to remain on strike until a
wage scale is agreed on, Rush-
ville people are beginning to view
the situation seriously. Supt. A. T.
Mahin announced Tuesday night the
city water and light plant had only
eight days supply of coal, but ex-
pressed the hope that the plant
would be allowed to run as long as
the railroads do because it supplies
three roads entering Rushville with
water.

The enforced closing of the city
plant would be a catastrophe for
Rushville because there are very few
people who do not depend entirely
on city water. Furthermore, the city
would have no fire protection.

Local factories are reported to be
running short of coal and the days
which they may run are numbered
unless coal is forthcoming soon. At
least two factories in Rushville are
dependent on the city for power and
all of them for lights.

During the curtailed schedule, all
I. & C. cars will run on local time
and make all local stops. From the
time the cars leave the Connersville
and Indianapolis terminals, it will be
possible for patrons to figure the
time they will arrive at a given
Continued on Page Two

TURKEY WILL BE A RARE BIRD THIS YEAR

Walter Thomas Predicts They Will
be 48 to 50 Cents a Pound
Full Dressed Thanksgiving

CROP SCARCER EVERY YEAR

The turkey will indeed be a "rare
bird" Thanksgiving, according to
Walter Thomas, manager of the
Adams Produce company, who says
that the turkey crop is shorter than
ever this year. The turkey which
graces the festive board this com-
ing Thanksgiving will cost from 48
to 50 cents a pound full dressed, Mr.
Thomas predicts.

"Turkeys are growing scarcer
every year," said Mr. Thomas, "be-
cause the risk in raising them is
great and they require considerable
time. Turkeys will be prohibitive
in price in the very near future."

The Adams Produce company is
buying all that can be found now for
the eastern market, but it is not ex-
pected that the local demand will be
as great as usual on account of the
price.

People Violated Speed Ordinance Over 30 Years Ago in Rushville

Continued from Page One
of "Mr. So and So" being brought into court for allowing his cow to graze upon the public streets and property of the city. This was indeed an awful thing, and was about as serious as a speed demon on a horseback, racing through the streets with his cut-out open, going eight miles an hour.

No, we're all wrong. There wasn't any cut-out ordinance. Not even a tail light or dimmer law.

When a certain Rushville business man was a little boy, back there in 1893, he hopped on a freight train. The town marshal saw him and he was arrested. Of course he pleaded guilty and the mayor fined him a nickel; just a short ride of a block or so. But the costs in the case amounted to \$5.50, and he paid the fine of \$5.55.

People even turned in false fire alarms, away back there 31 years ago. The records show where three men rang the fire bell and caused public excitement, when there was no fire. The bell was then located above the engine house with a rope hanging down so that it could be rung in case of fire. It cost the three men \$5.55 for turning in a false fire alarm, and today it would cost them \$25 and six months at the penal farm.

In those days bootlegging was unheard of—but whiskey wasn't. More people were arrested then in a week than there are now in many months. If you got drunk, the first offense would be one cent and the second trip a dime, and it scarcely ever exceeded a dollar. The costs were always added of course, and they usually amounted to \$3.00 or \$4.00, depending upon the amount of trouble you caused the marshal in getting to jail. He got paid by mileage.

Then when you look at the allowance book for the same date, \$4 was considered a lot of money. The council was paying teams and laborers at the rate of 16 cents an hour.

When brought up on a charge and given a fine, you were allowed 90 days in which to make payment. Some of the records resemble an installment account of a furniture

RHEUMATISM LIKE A MULE

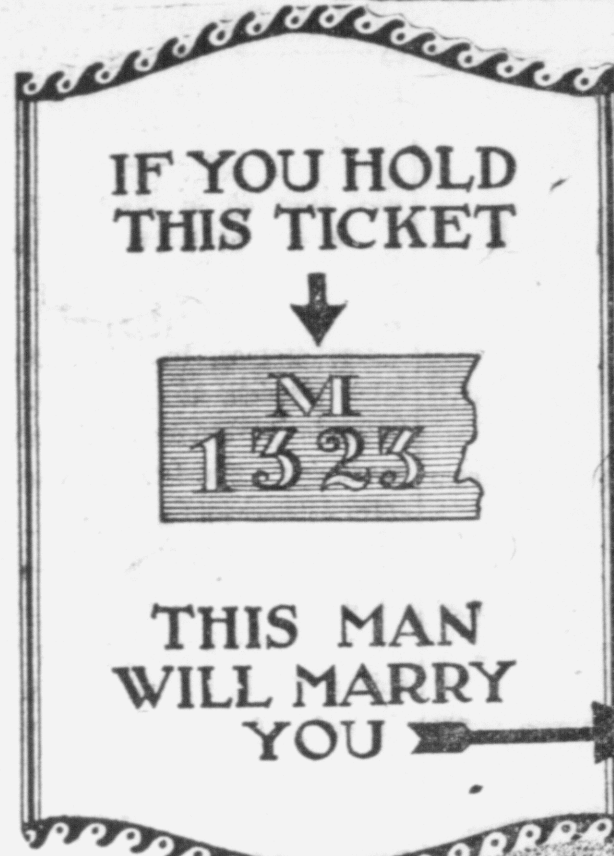

You've got to coax it to make it go. "Neutrone Prescription 99" will start the most stubborn and dogged case of rheumatism.

We have witnessed its effectiveness in hundreds of cases, it does things. "Neutrone Prescription 99" is entirely different from the old preparation in that it aims at eliminating all Rheumatic poisons by purifying the blood, common sense teaches you this.

It removes those awful pains, limbers up those swollen, stiff joints and muscles in a way that will surprise you. Get a bottle today, get the old stuff out of your system. For sale by Pitman & Wilson, Druggists, and leading Druggists everywhere.

WHO IS HE? WHY IT'S WALLACE REID in "THE LOTTERY MAN" A Paramount-Artcraft Picture PRESENTED BY JESSE L. LASKY

Why worry about the high cost of living when you can buy a husband for a dollar?

Wouldn't give a dollar for a husband? Well, that wasn't the sentiment of 200,000 women—all

shapes, ages, sizes and colors—who took a chance on the Lottery Man.

Whereby hangs the tale. See it on the screen. Not one chance in a million that you'll lose!

store, where 25 cents would be the weekly payment.

Things today have changed somewhat, but even at that if your horse is driven over eight miles an hour, or you get drunk, or allow your cow to eat grass in the street, you'll get arrested and fined, but it takes more than \$2 or \$3 to keep you out of jail, and a one cent fine is now a matter of record only.

I. & C. SERVICE TO BE CURTAILED

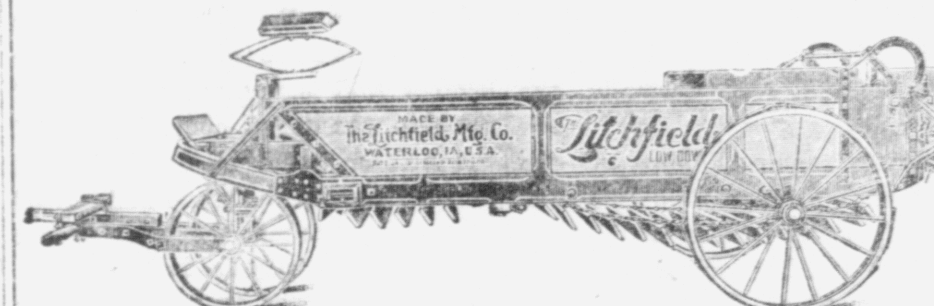

Continued from Page One

For example, the running time of a local car on the present schedule from Connersville to Rushville is 36 minutes, and cars leaving Connersville on the new schedule at 6 and 9 a. m., noon, 3, 6 and 9 p. m. will arrive here 36 minutes after the hour. The running time of a local from Indianapolis to Rushville is one hour and 32 minutes, so that, for example the car leaving Indianapolis at 6 a. m. will arrive here at 7:32.

"On account of the shortage of coal brought on by the strike of the miners' union, in violation of law and the order of the United States court, refusing to mine coal, we face a complete shutdown of all roads in a very few days," says the announcement by Charles L. Henry, president of the I. & C. today. "To avoid this as long as possible and to give the communities we reach as much service as possible, we'll, beginning at 6 o'clock a. m., Friday, Nov. 21, 1919, commence operating on a reduced schedule."

"Patrons using electricity for lights are requested to cut down their consumption to the very lowest amount," says the statement, "and if this does not bring a sufficient of the current required, all of the current for lights will be turned off Monday morning, Nov. 24, 1919. "A great many will be discommoded by the change of schedule and the cutting off of lights, but it is a time of stress when everybody will be discommoded and all loyal people must bear the inconvenience with bravery."

GUARANTEED

FOR FIVE YEARS. WHY?

If a machine is to be guaranteed for a term of years, it must be built to stand up at least that length of time. Every part must be as strong as the rest—no weak points. Something besides "bull strength and awkwardness" is necessary. The "RUSHVILLE SPECIAL" Spreader is scientifically constructed and the Litchfield Company knows this, because under its own roofs, every part and piece is built from the raw material. This spreader is not the product of an "assembling" plant.

In building the "RUSHVILLE SPECIAL" Spreader for me every unnecessary part has been eliminated and the machine scientifically designed and constructed, so that no needless material is used. All required strength is there but your team need not haul around any useless, clumsy, awkward "wooden shoe" weight or bulk. The Bull Dog Beater Wheel and the No-Choke Box put less strain on the machine than any other form of construction so far invented. They also greatly reduce the draft on the horses.

The Self-Oiling journal bearings, the single lever, the studied simplicity—all tend toward efficiency and making the machine fool proof.

The all steel frame with circle front and steel bridge bolster construction, the endless self-cleaning conveyor, self-aligning bearings, high carbon beater teeth, crossed truss reinforced frame—all scientifically built together, give me a spreader of KNOWN quality. Thus our reason for the guarantee which comes with the factory's signature. Look this spreader over.

There will be a called assembly of Rushville Council No. 41, R. & S. M. Friday night for conferring the degrees. A large attendance is desired as this will be the last meeting before conferring the S. E. M. degree the following Friday.

Corns Come Off Like Banana Peel

"Gets-It" Leaves Toe Smooth As Your Palm. Never Fails. Ever peel off a banana skin? Well, that's the way "Gets-It" peels off any corn or callus. It's a quick. Nothing else in the world will do it.

"2 Drops of 'Gets-It,' Good-bye Corns!" but "Gets-It" because of the new secret principle in the "Gets-It" formula. "Gets-It" does away forever with "contraptions," "wrappy" plasters, ointments that rub off, blood-letting knives, and scissors that snip into the "quick." "Gets-It" eases pain. It takes but a second or two to use "Gets-It." There's no fussing or trouble. It dries immediately. You put your stocking right back on again. Your corn will come off painlessly in one complete piece. That's common-sense. It never fails. "Gets-It" the only sure, guaranteed, money-back corn-remover, costs but a trifle at any drug store. MFD by E. Lawrence & Co., Chicago, Ill.

Sold in Rushville and recommended as the world's best corn remedy by F. B. Johnson & Co. and Hargrove & Mullin.

—Samuel L. Trabue was in Indianapolis today on business.

—Mrs. Aaron Wellman was among the visitors today in Indianapolis.

—Mr. and Mrs. Russell Harton were among the Indianapolis passengers this morning.

—Mrs. Liza Marlatt has returned to her home in Milton, Ind., after a few days visit in this city visiting relatives.

—Mr. and Mrs. Jake Webber were among the passengers this morning to Indianapolis where they spent the day with friends.

—Miss Mary Carr and Russell Hogue of Shelbyville spent last evening in Indianapolis and saw "Going Up" at the English theatre.

—Mr. and Mrs. Elgia Pancoast and Mr. and Mrs. George Banning have returned to Elkhart after a pleasant visit with Mr. and Mrs. Ernest Berninger, of north of the city.

—The Rev. C. J. Bunnell went to Indianapolis today and from there will go to Franklin, Ind., tomorrow, to attend a home-coming of alumni and former students of Franklin college.

—Lawrence Carroll of New York is visiting Mr. and Mrs. Pat Carroll of this city for a few days. Mr. Carroll is now enroute home, after being discharged from service, being formerly a K. of C. secretary at Paris Island.

RUSHVILLE PLEASED

BY QUICK RESULTS

Everyone is pleased with the quick results of simple witchhazel, camphor, hydrastis, etc., as mixed in Lavoptik eye wash. One man's eyes were so badly strained he could not read without pain. Two applications relieved him. A lady with weak, inflamed eyes was greatly helped by ONE bottle. We guarantee a small bottle of Lavoptik to help ANY CASE weak, strained or inflamed eyes. F. E. Wolcott, Druggist, Adv. 6

Dress Information Worth While

This is an age of special achievement of garment designers and makers. Just now we have in stock a large assortment of Ladies Coats in regular sizes. But also have just the right thing in larger sizes and Little Misses.

The cut used here will convince the larger lady that we are prepared to furnish her with a dress intelligently designed and suited to her need and save the trouble and worry of the dressmaker.

LEGAL BATTLE BEGINS IN THE SUPREME COURT

Argument of Constitutionality of War Time Prohibition Act is Started Today

BIG CROWD LINES STREETS

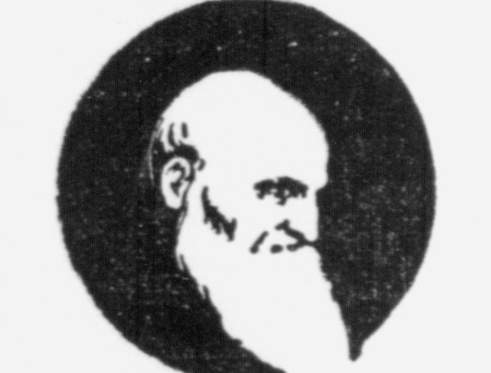

(By United Press.) Washington, Nov. 20.—Attorneys for the liquor interests and government began a legal battle today over the constitutionality of the war time prohibition law before the supreme court.

The opening move was the request of Wayne Wheeler, counsel for the anti-saloon league, to a brief in support of the government. This was granted by the Chief Justice White.

The court room was crowded to capacity and on the outside a throng lined up for blocks awaiting to gain entrance. Elihu Root, Levi Mayer and William Marshall Bullitt, were in the court behind a mass of papers to make arguments for the liquor interests. G. L. Ferson was ready to make the main arguments for the government assisted by Assistant Attorney-General King.

Feeble Old People

Gain Strength and Vigor rapidly on Vinol, our Cod Liver and Iron Tonic.

Vinol contains the very elements needed to replace weakness with strength, just as it did for this New York man.

"I am 74 years of age and got into a weak, run-down condition as a result of the grippe. Our druggist suggested Vinol to build me up and I noticed an improvement soon after taking it, and it has restored my strength so I can now do a good day's work. My wife has also taken Vinol for a run-down condition with splendid results."

NOTE:—Your leading druggist has for many years specially recommended Vinol because he knows there is nothing better than this famous Cod Liver and Iron Tonic to create strength and build one up. The formula of Vinol is on every label.

Your money back if it fails. F. B. JOHNSON & CO., Druggists And Druggists Everywhere.

GRADE TEACHERS MEETING

To Discuss Results of Their Trips to Other Schools Yesterday.

Rushville grade teachers expected to hold a meeting this afternoon at four o'clock to discuss their observations yesterday when they visited the schools at Indianapolis, Connersville and Shelbyville. It was stated by Supt. Scholl today that all of the teachers were immensely pleased with the day spent in other schools because they felt that it was of great value to them. The teachers will compare notes so that all may have advantage of the new method observed on all the schools visited.

A box supper will be given at the Manilla high school building Friday night. The public is cordially invited and each girl is requested to bring a box. The social will begin at 7:30 o'clock.

Here It Is

That much desired rich colored Plaid Gingham dress, with a pretty collar, a tasty belt and stylish pockets.

Help for Cripples

There are perhaps 40,000 American soldiers, sailors and marines, disabled in the war, who are candidates for the scientific retraining courses provided by the government. The Federal Board for Vocational Retraining has already cared for 13,000, and is placing others under training at the rate of 1,200 a week.

These war veterans are not only helped by a grateful country to overcome their handicaps, but are paid \$50 to \$150 a month while they are training. It is a work never attempted in connection with any previous war, but it is recognized today as no more than the due of these patriotic victims.

A similar plan is now being undertaken to help industrial victims. The "ripples in industry" bill, which is expected soon to become law, establishes a system of co-operation whereby the federal government will give \$1 for every dollar given for this purpose by a state. Some states have indicated their willingness to contribute \$3 or \$4 to every dollar from the federal treasury. The methods used will be precisely the same as in the army and navy rehabilitation schools.

Thus out of the war comes another beneficent and unforeseen result. There are about 300,000 persons injured in American industries every year. Of this number perhaps 30,000, who are rendered permanently helpless and dependent under ordinary conditions, can by scientific training be enabled to earn their own living again and finish their natural lives in self-respecting independence and comfort. It is a service valuable alike as a measure of justice to the victims and as a contribution to industrial productivity.

High Cost of Government Control

Each succeeding illustration of the difficulty in getting the expenditures of the government back on a peace basis is an added argument against government ownership or operation of any enterprise that can be conducted by private ownership and

MEN AND WOMEN ARE NO OLDER THAN THEY FEEL

One of our leading doctors says, "Everyone, no matter what their age, can be healthy and strong. It is a case of take care of yourself."

"For want of Iron and Phosphates you may be old at thirty, nervous, thin, weak, and all-in, while at fifty or sixty, with plenty of Iron and Phosphates in your blood, you will feel young, full of life, vim and energy."

"Many a man and woman who ought to feel young are losing out simply because their blood and nerves are starving for want of Phosphated Iron. Lack of Iron and Phosphates makes men and women old long before their time, weak, run-down nervous wrecks."

"You will find that the strong, keen, forceful, successful men and healthy, rosy-cheeked, happy women are those whose blood and nerves are charged with Iron and Phosphates."

"Phosphated Iron makes new, rich red blood; renews nerve force and vitality, and increases my patients' strength and appearance one hundred per cent. Thousands of men and women who were 'all-in' have 'come-back' with astonishing health, strength and happiness by taking Phosphated Iron."

Phosphated Iron is put up in capsules. Do not take inferior pills or tablets. Ask for Phosphated Iron capsules. For sale by

Pitman & Wilson, the Druggists, and leading Druggists everywhere.

Sap and Salt

By BERT MOSES

The only way to get peace is to be peaceful.

The piano is often an instrument of torture to the neighbors.

Time flies when your work is pleasant, and drags when it isn't.

Hez Heck says: "The tears of a widow frequently conceal a smile."

Co-operation is fine up to the point where individualism disappears.

The more the Government lets us alone, the more will we do for ourselves.

management. Not only have government employees held to their jobs as tenaciously as possible, but it is asserted on competent authority that heads of departments and bureaus have endeavored to retain their clerks as long as possible, even when the work had greatly diminished. However much the employee may complain of the inadequacy of his pay, he sticks to the job. However much the head of a bureau may pretend to practice economy, he realizes that if the number of employees under him should decrease there will be an appearance of diminishing importance of the work he is doing, and he will suffer loss of prestige or loss of his job. All the influences, therefore, are against economical operation in the government service. Keeping these facts in mind, the people of the country should insist that there shall be no movement toward permanent government operation of the railroads or steamship lines, the telegraph, the telephone, or other public service enterprises. The people will find it cheaper in the end to pay even exorbitant charges, if any exist, to private institutions until the charges can be properly regulated by law than to pay permanently the higher costs of government management.

When corporations become human, and strikes are no more, the rest of us, forsooth, will also be no more.

The bitter truth has been discovered at last. The mice in the pantry are striking for a better grade of cheese.

Now let the government enact stringent laws compelling both sides to submit their grievances to arbitration, and put an end to this exasperating entanglement of production.

A man cusses when he feels like it. A woman laughs when she doesn't.

The strike which produces the greatest good to mankind is the one which hits a hot piece of iron, the head of a nail, or otherwise aids in the work of production.

TAUGHT KING TO RUN LOCOMOTIVE IN 1898

John Kilbane Read With Interest Every Press Account of Albert's Visit to U. S.

KING LEARNED VERY QUICKLY

(By United Press.)

Moorhead, Minn., Nov. 20.—John Kilbane, veteran engineer on the Great Northern railroad here, read with interest every press account of the visit of Belgium's royalty to America.

When King Albert, then a prince, visited America 1898 and made a trip over the Great Northern as a guest of J. J. Hill, Kilbane taught the royal passenger to run an engine. He says Albert was an apt until and quickly learned to handle the throttle, lever and air brake and watched the track with solicitude.

The larch string of the Brussels palace is ever out for Kilbane, King Albert has assured the engineer in messages.

Miss Catherine Keating has resigned her position as stenographer with Kiplinger and Smith and accepted a similar one with McFarlan Motor company of Connersville.

AMUSEMENTS

300,000 Women Take a Chance

Across the public square shot a torn and bleeding man, five hundred frantic women in hot pursuit. His shirt was ripped to shreds, his face cut, and in his eyes was the wild look of the hunted creature. He sprang nimbly upon a platform above the heads of his pursuers. They gave an exultant cry as they saw him approach the two cylinders in which his fate was concealed. A husky young female leaped up beside him and started to draw the fatal papers from the glass. With fascinated eyes—

But this isn't one of those French detective stories. It's just to give a faint idea of the wild predicament into which Wallace Reid's rashness precipitated him in his latest Paramount-Artcraft picture, "The Lottery Man," which will be the attraction at the Princess theatre today and tomorrow. The athletic young star has the role of Jack Wright, who to pay a debt of honor and to make a fortune for his devoted little mother, volunteered to raffle himself off as a husband for a dollar a chance. He repented of his bargain when he fell in love with a pretty girl, but it was too late. The mad feminine rush had started. To win the girl and the fortune too requires, and of Mr. Reid's quick wit and nimbleness results in one of the most hilariously entertaining films in which the popular star has yet appeared. Wanda Hawley is the girl, and Harrison Ford and Sylvia Ashton are also included in the cast. James Cruze directed the picture.

Elmo Lincoln at Mystic

Elmo Lincoln is at the Mystic today in the seventeenth episode of the serial, "The Plunge." Pete Morrison is in a two-reel western, "Ace High" and Lyons and Moran play in a comedy, "Who's Here Hubby?"

Mary MacLaren won her screen fame through the medium of a long line of successful photodramatic vehicles, notable among them being "The Unpainted Woman" and "The Weaker Vessel," yet critics say that her newest production, "A Petal on the Current," which will be shown at the Mystic Theatre Friday is more pronounced in its exposition of the star's histrionic qualities than any previous offering.

The inspiration for this statement lies in the ensemble of author, director, photographer and technical chief whose combined talents created the cinema reproduction of Fannie Hurst's most popular Cosmopolitan Magazine short story.

Tod Browning, who made "The Exquisite Thief" for Priscilla Dean and "The Unpainted Woman" for Mary MacLaren, directed "A Petal on the Current." William Fildew, who has been cameraman for such stars as May Allison, Lillian Gish, Emmy Wehlen and Dorothy Dalton

THIS WOMAN FOUND RELIEF

Men and women suffering from backache, rheumatic pains, stiff and swollen joints, lameness and soreness will be glad to read how one woman found relief from kidney and bladder trouble. Mrs. G. Hyde, Homestead, Mich., writes: "I have been troubled with weak kidneys, and several times in the last ten years I had that terrible backache and tired out feeling, scarcely able to do my work. Foley Kidney Pills made me feel like a new person. F. B. Johnson.—(Adv.)

Our Daily Laugh

New, and Bright Yarns That Will Tickle You and Will be Relished by Your Friends When You Repeat Them.

Old Zeke Mathers walked with a cane and gloried with chilblains, but rumor had it that he was a record-breaker for speed on a chicken hunt. He'd been before the judge twice in a month, and through "pull" with a local attorney had been cleared the first time. The second appearance found him alone. The Judge scanned the culprit and said: "You haven't an attorney?" "No, Boss."

"Do you want me to name an attorney for you?"

"No, sah. De last time Ah was heah, Ah had a lawyer, and he got half the chickens."

This Broke a Mother's Heart

MARY MACLAREN IN FANNIE HURST'S GREATEST STORY "THE PETAL ON THE CURRENT" IT'S A UNIVERSAL PICTURE

FRIDAY SPECIAL — NO ADVANCE IN PRICE

There's a deal of injustice in the world. For instance, pretty Stella Schump, the most lovable girl in the neighborhood, the pride of a mother's heart, was arrested on an ugly charge thirty minutes after she had kissed mother good-bye with heart fluttering at the mere thought of meeting a "man" at her chum's party.

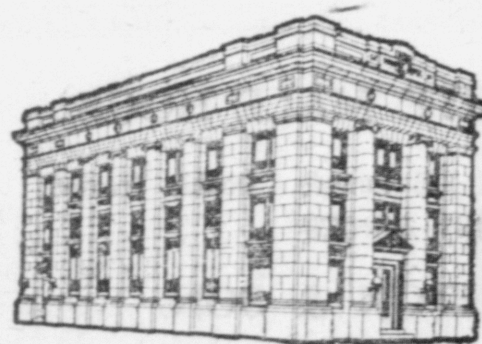

Daughter's ten days in jail for soliciting broke Mother Schump's spirit and when the girl's jail term was up she brushed past a crape on the front door of the dingy apartment she called home, and no mother-arms were held out to greet her. Instead she was faced with the taunts and sneers of a catty landlady. And then—but the sequence is told in one of the most appealing photoplays ever devised. See "A Petal on the Current," Mary MacLaren's latest picture adapted from Fannie Hurst's famous magazine story of heart throbs and smiles. It is booked for the Mystic Theatre Friday.

Indianapolis & Cincinnati Traction Company Special Coal Strike Schedule

On account of the shortage of coal, brought about by the strike of the Miners' Union, in violation of law and the order of the United States Court, refusing to mine coal, we face a complete shut-down of all roads in a very few days.

To avoid this as long as possible and to give the communities we serve as much service as possible, we will, beginning at 6 O'clock A. M. Friday, November 21, 1919, commence operating on a reduced schedule as follows:

Leaving Indianapolis for Connorsville.		
6:00 A. M.	9:00 A. M.	12:00 Noon
3:00 P. M.	6:00 P. M.	9:00 P. M.
Leaving Indianapolis For Greensburg.		
6:00 A. M.	9:00 A. M.	12:00 Noon
3:00 P. M.	6:00 P. M.	9:00 P. M.
Leaving Connorsville For Indianapolis.		
6:00 A. M.	9:00 A. M.	12:00 Noon
3:00 P. M.	6:00 P. M.	9:00 P. M.
Leaving GrGreensburg For Indianapolis.		
6:00 A. M.	9:00 A. M.	12:00 Noon
3:00 P. M.	6:00 P. M.	9:00 P. M.

All the cars will be operated as locals and patrons can easily, from the outstanding time tables, figure what time they will reach any given point by noticing when they leave either Indianapolis, Greensburg or Connorsville terminal.

Patrons using electricity for lights are requested to cut down their consumption to the very lowest amount, and if this does not bring a sufficient saving of the current required, all of the current for lights will be turned off on Monday morning, November 24, 1919.

A great many will be discommoded by the change of schedule and the cutting off of lights, but it is a time of stress when everybody will be discommoded and all loyal people must bear the inconvenience with bravery.

The freight service will remain as usual as it is a real necessity to the various communities for living purposes.

Ordinary service will be resumed as soon as a sufficient supply of coal can be had therefor.

STATE "CHAMPS" MEET SATURDAY

Heze Clark Predicts Championships
Will be Won and Lost in Games
Saturday

EVERY TEAM IN ACTION.

Notre Dame Meets Purdue for State
Championship—May End Season for Some

By HEZE CLARK.
(Written for United Press.)

Indianapolis, Ind., Nov. 20—With every college football team in Indiana in action on the gridiron Saturday, Nov. 22, and that day marking the close of the season for many of the teams, the importance of the games this week is plainly seen. Championships will be lost and won.

The state championship will be decided at Lafayette when Notre Dame plays Purdue. Coach Rockne's Catholic eleven defeated Indiana some weeks ago on a muddy field in a game played at Indianapolis by a 16 to 3 score. Notre Dame has not met defeat and has won games from such teams as West Point and Nebraska. It has been a rough season for Purdue. Franklin one of the little colleges started the season by playing Purdue a 14 to 14 tie game at Lafayette. Chicago, Illinois, and Ohio State all took turns defeating Purdue. Coach "Butch" Scanton's material was new and inexperienced. Purdue defeated the Michigan Aggies by a close score and last Saturday the Aggies played Notre Dame.

While the state championship game is being fought at Lafayette there are other games that are attracting attention. Indiana University is holding a "home coming" day at Bloomington and the attraction is a football game with Syracuse. Just why the eastern team was ever placed on Indiana's schedule, no persons seems to know. The crowd will gather more to see Syracuse the team that trounced Pittsburg University, play football than for any other reason. Not even the Indiana students think their team has a chance and the alumni are hoping to see the day when Indiana and Purdue will resume their annual game at the close of each season.

Football fans at Greencastle are to have a real treat Saturday. DePauw will play Center College of Kentucky. The followers of the gridiron sport heard much of Center College early in the season when the Kentucky champs defeated Hanover 95 to 0, and then came Bloomington a week later and defeated Indiana University 12 to 3. DePauw did not play Center in 1918, but in 1917 the Tiger eleven won from center by a 6 to 0 score. The Kentucky team is after revenge this year and Coach Boss' team must play at top speed to hold them even. DePauw played Purdue last Saturday at Lafayette.

Earlham will play St. Xavier at Cincinnati, Saturday. The Indiana teams have had little luck with St. Xavier this season. First Hanover was buried under a 66 to 0 score by the Saints. Then Franklin lost to St. Xavier by a 9 to 0 score. Then

Rose Poly tried it. St. Xavier however won from the Engineers by a 6 to 2 score. Now Earlham will try it. The Quakers defeated Franklin 6 to 2, and are confident they will give the Ohio team a great battle.

The annual game between Franklin and Butler is sure to attract a crowd at Franklin this year. Last Saturday Butler played Earlham at Richmond and on the same day Franklin met Wabash at Washington Park in Indianapolis. Last year the Franklin-Butler game was staged in Indianapolis. It was a wonderful battle. Franklin got the lead by a safety and held it until the final minute of play. Franklin had out played Butler from the start but it seemed did not have the punch to score a touch down. The score was Franklin 2, Butler, 0 and then the "break" came.

That defeat still hurts Franklin, and Coach John Thurber said at the start of the season he would rather defeat Butler than win any other game of the schedule. Thurber is a former Colgate player and he repeated this statement after the Wabash game Saturday night. He declared that Butler would have a real reception when it played Franklin Nov. 22.

Wabash will play Marquette at Milwaukee Saturday. These teams have met on the gridiron a number of times in past years and the big game this season is watched with interest. Wabash lost an early season game to Indiana. However the Little Giants coached by Pete Vaughn and Townsend have developed and they played a 0 to 0 tie game with DePauw which attracted a crowd of 8,000 persons at Washington park. It was one of the best seen in the Hoosier state this year. The Wabash team may be counted on to give Marquette a great battle.

RED CROSS TOTAL
SHOWS AN INCREASE

Continued from Page One—estimated that they will average twenty members to the district, which would make a substantial increase in the total to date. The captain of one of the districts in western Rushville township has never even called for his supplies at a Rushville store where they were left for him.

It is reported that very little has been done in Union township, which is likely to fall behind in the procession unless the workers get busy at once. Headquarters has no idea of the progress which is being made in Ripley and Center townships.

RED CROSS NOTES

A municipal hospital has just been opened in Albania, making the fourth to be operated there by the American Red Cross.

Medical supplies being scarce in the Carvin district in France, the American Red Cross has established small First Aid stations for nearly every village in the district.

Rheumatism Leaves You Forever.

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenru, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiable and where the patient was helpless.

Allenru relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed all druggists to guarantee it in every instance, adv.

Mrs. Hugo Schmalzell was hostess for the Band of Workers yesterday afternoon at her home in West First street. An interesting program and business session was held after which the hostess served refreshments.

* * *

Mr. and Mrs. Oliver O'Brien were host and hostess last evening for a six o'clock chicken dinner at their home in North Jackson street. The honored guests were Mr. and Mrs. J. B. Pusey. The centerpiece of the table was a large basket of fruit.

* * *

The Reliance Crochet Club was entertained at the home of Mrs. Charles Ryan in North Jackson street yesterday afternoon. Needlework was the diversion for the afternoon and at the close of the meeting a dainty luncheon was served.

* * *

A number of social functions have been given in honor of Mrs. Harlan Overleese of near Milroy, who is visiting Mr. and Mrs. Clyde B. Wilford, of Fort Smith, Ark. Mrs. Overleese is well known in this city, being the sister of Mrs. Ray Lakin. A number of parties are being planned this week also in her honor.

* * *

Miss Mary Ellen Carroll delightfully entertained last evening with an informal party honoring Lawrence Carroll of New York City, who is visiting in this city for a few days. About twenty-five guests were present. Mr. Carroll was recently discharged from service, after being engaged as a secretary in the Knights of Columbus War service at Paris Island.

* * *

Monday evening a jolly party of young folks of the Orange neighborhood enjoyed a wiener roast in Scholl's wood, north of Orange, in honor of Miss Margaret Bratton of Connersville, who was assistant teacher in the Orange school the first part of the year. The evening was spent in roasting wieners and playing games. Those present were the Misses Helen Reed, Edith George, Thelma Dawson, Lela Bowen, Thelma and Frieda Norris, Lulu Wiggins, Dorothy Davis and Margaret Bratton and Milton Long, Roland Morris, Theron Dawson, Charles Mingle, Coleman Phillips, Landon Schrontz, Irvin Long, Virgil Pyke, Alonzo Armstrong, Leon Sipe and Lee Outland.

* * *

Mr. and Mrs. R. A. Innis, 621 North Harrison street, announce the marriage of their daughter, Mary Ruth to Russel B. Kirkpatrick, son of Mr. and Mrs. S. B. Kirkpatrick, which took place yesterday evening at 6:30 o'clock at the home of the bride. The wedding service was read by the Rev. J. T. Aiken. The attendants were Miss Allene Budd, maid of honor; Allan Maxwell of Indianapolis, best man, and Fletcher

PENNY SUPPER

The Band of Workers of the First Presbyterian church will hold a Penny Supper in the church basement Friday evening Nov. 21, commencing at 5 o'clock. Nov. 14-18-20

Buy Your Shoes by this Trade Mark

It Means Fashion, Full Value and Real Satisfaction in Footwear

QUEEN QUALITY on a shoe is the stamp of character—the unfailing guide to style, value and satisfaction.

Character is the proper balance of design, fit and quality, reflecting your desire for consistent style and service. It identifies Queen Quality shoe service throughout the world. It means satisfaction wherever Queen Quality shoes are sold.

Years of success in service have secured Queen Quality leadership. Close study of style tendencies has developed Fall and Winter models of the smartest character. Careful store service in selection and fitting insures pleasure in wear.

Of Queen Quality shoes we say as always: "Buy them with confidence; wear them with pleasure; they are your assurance of being well shod."

This Trade Mark is on all "SHOE-SOAP" Kid Shoes. Because reputation is valued above all else, Queen Quality fine black kid shoes are made of "Shoe-Soap" Kid. Eight years of consistent use in Queen Quality Shoes have proved its leadership. This association of Queen Quality endeavors with that of the tanner and retailer enables women to obtain exceptional shoes made from "Shoe-Soap" leather which they have long tested and now demand.

The Mauzy Company

Smith, the bride's small nephew, ring bearer.

The bride was given away by her father. She wore a gown of beautiful white crepe meteor, draped with Belgian lace and embroidered with sequins. Her tulle veil was caught with a fillet of orange blossoms and she carried a shower bouquet of orchids and roses and maidenhair ferns. Miss Budd's gown was of pink chiffon with trimmings of Belgian lace and silver ribbon. She carried an arm bouquet of bridesmaid roses. The bridal music was furnished by Miss Mary Jane Carr, who sang "At Dawning" and "Because" with a harp and violin accompaniment.

The house was beautifully and elaborately decorated with orchids and white chrysanthemums, ferns and southern smilax. Soft candlelight gave the service added beauty and impressiveness.

Following the ceremony the wedding dinner was served. The bride's table was exquisite with chrysanthemums in the bridal colors.

Mr. and Mrs. Kirkpatrick left for a wedding journey to New York and Washington, D. C., and will be at home after December 6, at 621 North Harrison street.

The sixty guests present included the following from out-of-town: Mr. Chester Smith and son Fletcher of Monmouth, Ill., Mr. and Mrs.

Milton Reeve of Columbus, Ind.; Mr. and Mrs. William Kunkel of Bluffton; Perry Innis of Milroy; Mr. and Mrs. Harry Logan of Greensburg; Mrs. Nettie Stewart of Lebanon; Allan Maxwell of Indianapolis; Miss Dorothy Wills and Miss Esther Jackson of Bloomington and Miss Mary Riemann of Connersville.

GOD'S PLAN TO SAVE MEN

Clear Presentation by W. N. Briney at Christian Church

Those who missed hearing the sermon by the Rev. W. N. Briney at the Main Street Christian church last evening missed a rare intellectual treat, and wonderfully clear presentation of God's plan by saving men from sin, it is declared. The sermon was regarded as the clearest and sanest discussion of this important question ever heard here. The subject for this evening will be "Four Fatal Footsteps." Homer Cole sang a delightful and pleasing solo.

There was a fine audience and a deep spiritual interest manifest at the service.

BETTER DEAD

Life is a burden when the body is racked with pain. Everything worries and the victim becomes despondent and downhearted. To bring back the sunshine take **GOLD MEDAL HARBLEN OIL**

The national remedy of Holland for over 200 years; it is an enemy of all pains resulting from kidney, liver and uric acid troubles. All Druggists, three sizes. Look for the name Gold Medal on every box and accept no imitation.

JOINT MEETING TONIGHT.

A joint meeting of the official board and Sunday School board of the St. Paul's M. E. church will be held at the call of the pastor this evening at 8:20, immediately following the prayer meeting service. Important business will be discussed and a full attendance is requested.

Filler to Overflowing With the Joy of Living

The simplest remedies are nearly always the best. That's why thousands of bright-eyed, clear-skinned men and women keep themselves fit and fine by having an abiding faith in

Celery King

the simple, old-fashioned inexpensive vegetable tea that your grandmother used to make.

It purifies the blood, regulates the bowels, keeps the stomach clean and sweet and is the best tonic laxative you can take.

The kiddies like it, too, for it's gentle and mild. Give it to them when they are fretful and feverish. Adv.

Tested 250,000 Miles Three-Point Cantilever Springs Greatest Improvement Since Pneumatic Tires

OVERLAND 4 has been put through the most thorough and severe test possible.

250,000 miles of mountain trails, desert sand, heat, cold, mud and dust, demonstrated the quality of every part of the car long before we began manufacturing.

This remarkable test showed conclusively that Three-Point Cantilever Springs, exclusive with Overland, are the greatest improvement in riding comfort since the introduction of pneumatic tires.

They protect the car from road shocks and prolong the life of every part.

They enable the wheels to hold better to the road. They give

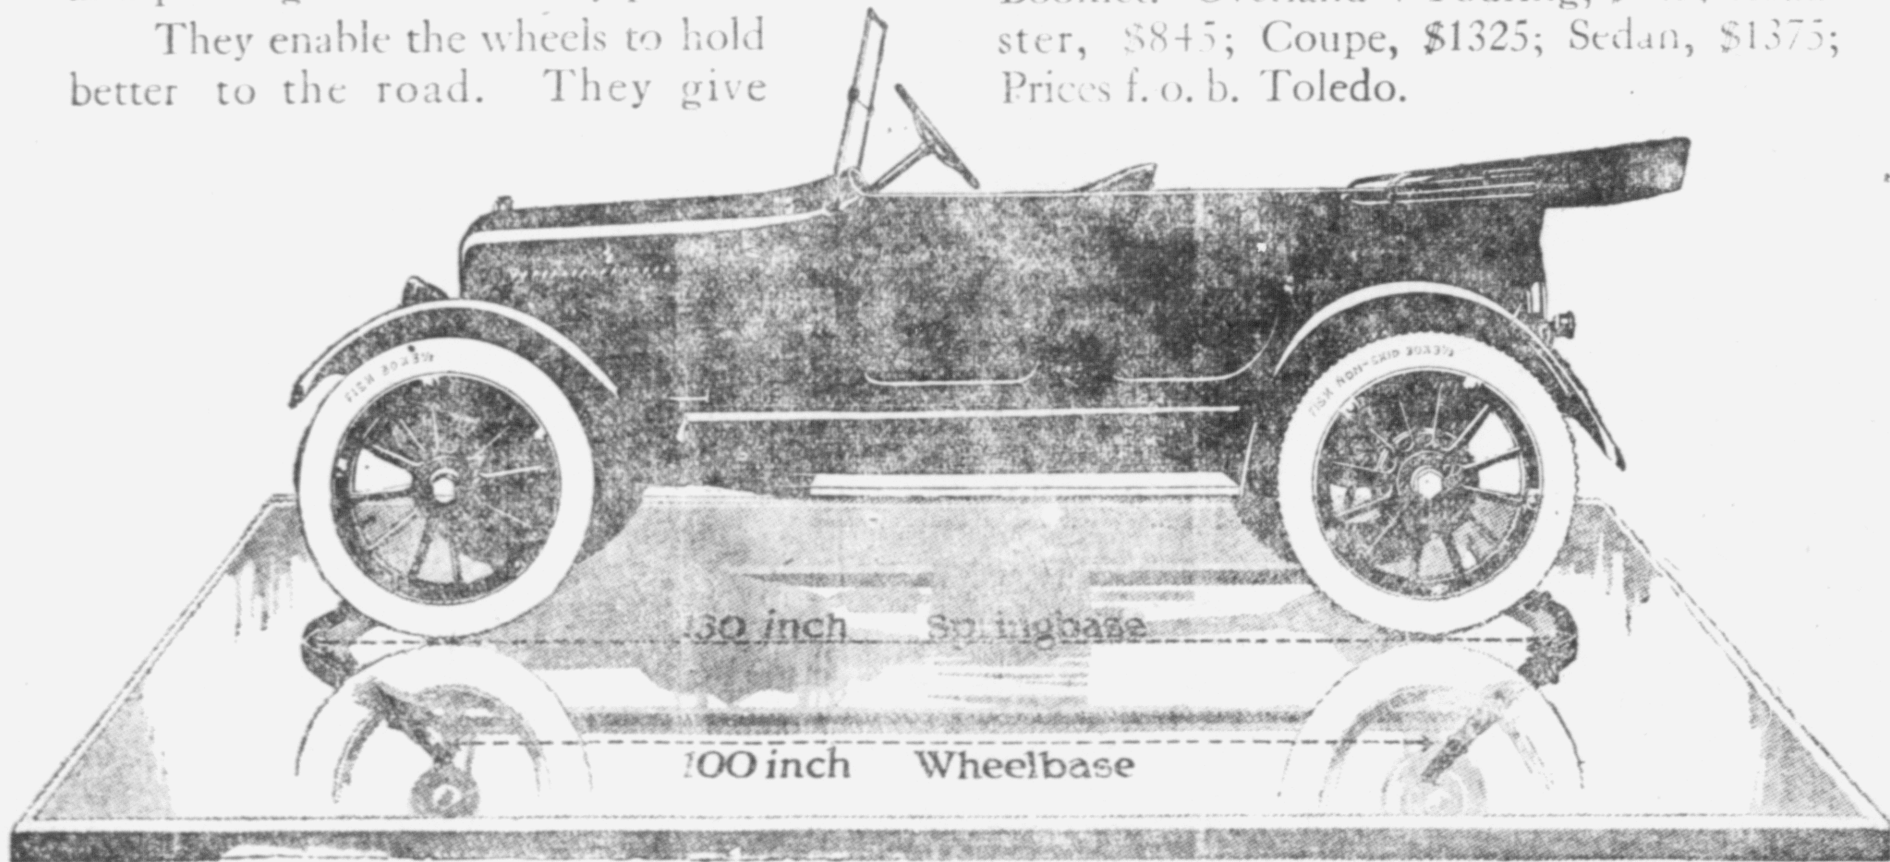

greater comfort under all road conditions.

They do away almost entirely with side sway and rebound which twist and rack the car.

Diagonal attachment of the Three-Point Springs at both ends of a 130-inch Spring-base gives the steadiness and smooth riding of the heavy car of long wheelbase.

Equipment is complete from Auto-Lite Starting and Lighting System to Marshall Divan Spring Upholstery.

Come in and see this car. Ask for Booklet. Overland 4 Touring, \$845; Roadster, \$845; Coupe, \$1325; Sedan, \$1375; Prices f.o.b. Toledo.

URGES PEOPLE TO FIGHT CATARRH WITH SIMPLE HOME MADE REMEDY

Can Make Pint at Home and Costs Little, Says Leading Druggist of Covington, Ky., Who Has Made Special Study of Catarrh.

Says: Inflamed Nostrils Invite Influenza

People who say that catarrh is a disease not to be taken seriously are harshly rebuked by a Kentucky druggist who has for years been much interested in the growth of this loathsome, yet altogether too common disease.

He claims that the sore, tender, inflamed membrane of the nostrils and throat is a prolific breeding ground for germs—not only the germs of influenza, but many other kinds as well.

If people would only stop experimenting for two weeks and try a simple remedy made of Mentholized Arcine mixed with enough boiled water to make a full pint, half of the catarrh in this country would be abolished.

It's really no joke for people

who don't know about this simple recipe to be constantly sniffling and snuffing, blowing and hawking, when all these obnoxious symptoms as well as the foul discharge can be made to disappear in a few days.

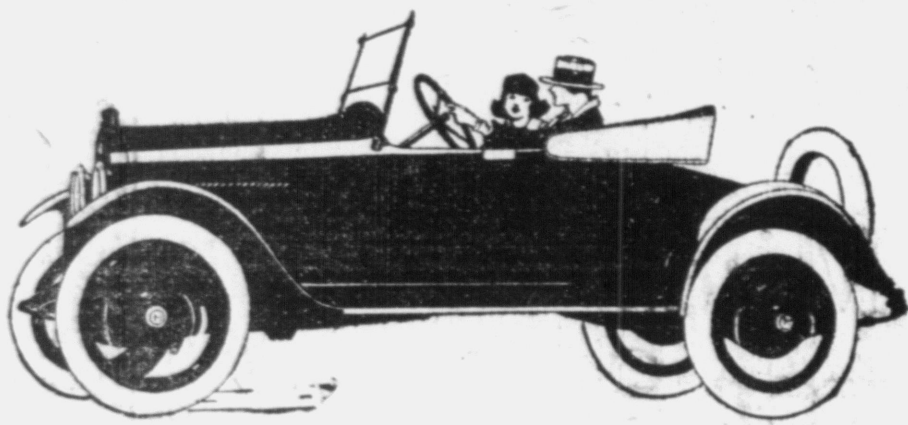

For three-quarters of an ounce of Mentholized Arcine—that's all you need and after you have mixed it with enough boiled water to make a pint, gargle the throat twice daily and sniff or spray some up the nostrils, as directed.

The tender nostrils will soon lose their soreness, heal up, and be clean and healthy.

Important Reminder: Just as soon as anyone in the family gets a cold in the head, check it at once with this same medicine.

is the dentrifice that contains the properties recommended as ideal by United States Army Dental Surgeons

Hupmobile Roadster

We believe the Hupmobile to be the best car of its class in the world. For its Appearance, Comfort, Performance, Durability and Economy there is none other that will equal it in its class. To those who are competent to form right judgments from a discussion of mechanical details should study the specifications of a Hupmobile.

We have a roadster on our show room floor at present. Come and allow us to explain the fine points of "THE COMFORT CAR"

LAUNCH GREATEST SUPERDREADNOUGHT

"California," Electrically Driven Represents America's Last Word in Naval Perfection.

CHRISTENED BY MRS. ZANE.

Vessel Will Make 21 Knots and Will Be Manned by 1,022 Men and 58 Officers.

Mare Island, Calif., Nov. 20—America's greatest superdreadnought, the California, was launched here today.

Electrically driven, and said to be proof against torpedoes and mines, the California represents the last word in naval perfection. She carries the greatest armament of any vessel in the world.

Mrs. Randolph Zane, widow of Major Zane, who died of wounds received in France, christened the vessel. She is the daughter of Gov. Stephens.

The California has twelve 14-inch guns, four submerged torpedo tubes, 25 two-inch rapid fire guns, four 6-pounds, two 1-pounders, four 3-inch anti-aircraft guns, and other guns of small caliber.

The ship will be manned by 1,022 men and 58 officers.

The keel of the California was laid Oct. 25, 1916, but during the war work was diverted to smaller vessels to combat submarines. The work was rapidly completed after fighting ceased.

The dimensions of the ship are: Length over all, 624 feet; breadth, 96 feet; depth, 47 feet, 2 inches; mean draught, 30 feet 5 inches; displacement, 32,000 tons. She will make 21 knots and has a normal fuel capacity of 1900 tons.

The California is a veritable electrical ship. From firing of guns to ventilation, all is done electrically.

Her protection is said by naval experts to approximate 30 percent over the best of pre-war battleships.

This Building Pays Dividends

Good farmers found out long ago that the better livestock is housed the more it pays for its keep. A good barn, whether it be for dairy cows, mixed stock, grain storage, or general purposes, is a farm structure that never fails to pay dividends on the investment.

Build the Barn You Need

The barn shown in this cut is a big, complete, thoroughly modern structure. We have blue prints and working plans for it, and can give you complete and accurate cost estimates. If this building is too large for your needs, we have others, smaller in size, that may just suit you—and we have the plans for them, too.

NOTICE OF INSOLVENCY.

In the matter of the Estate of Joseph A. J. Murphy, deceased.
In the Rush Circuit Court, No. 2581.
Notice is hereby given that upon petition filed in said Court by the administrator of said estate, setting up the insufficiency of the estate of said decedent to pay the debts and liabilities thereof, the Judge of said Court did, on the 6th day of November, 1919, find said estate to be probably insolvent, and ordered the same to be settled accordingly. The creditors of said estate are therefore hereby notified of such insolvency and required to file their claims against said estate for allowance.
Witness, the Clerk and seal of said Court at Rushville, Indiana, this 7th day of November, 1919.
Nov 7-14-21 LOREN MARTIN, Clerk.

NOTICE OF ADMINISTRATION.

Notice is hereby given that the undersigned has been appointed by the Judge of the Circuit Court of Rush County, State of Indiana, administratrix of the estate of LaVerne McAhren, late of said county, deceased.
Said estate is supposed to be solvent.
MAHALA McAHREN.
November 6, 1919.
Attest: Loren Martin, Clerk Rush Circuit Court.
Erastus W. McDaniel, Attorney.
Nov 7-14-21

NOTICE OF FINAL SETTLEMENT OF ESTATE.

Notice is hereby given to the creditors, heirs and legatees of Christian Alter, deceased, to appear in the Rush Circuit Court, held at Rushville, Indiana, on the 6th day of December, 1919, and show cause, if any, why Final Settlement Accounts with the estate of said decedent should not be approved; and said heirs are notified to then and there make proof of heirship, and receive their distributive shares.
Witness, the Clerk of said Court, this 13th day of November, 1919.
LOREN MARTIN.
Clerk Rush Circuit Court.

CAMBRIDGE CITY IS
HERE FRIDAY NIGHT

Strength of Visiting Five is Unknown and They May Spring a Surprise on Locals

GOAL PRACTICE THIS WEEK

The Rushville high school team will meet the team from Cambridge city school here Friday evening strength of the visiting team, sium. Little is known of the competing strength of the Moscow team, and a surprise may be given the locals, as was given them in the game with Morristown.

The local team has been endeavoring this week to overcome some of its weaknesses as brought out in the game of last Friday night, when they were unable to put the ball through the hoop. Goal practice this week has helped them. A week from next Friday the locals will play their first game away from home, and will try to avenge their defeat of last Friday, as they will meet the Spieeland team on their home floor. Spieeland plays at Newcastle tomorrow. Arlington will play New Salem here Friday night for a curtain raiser. The local second team will not play.

FULL OF COLD: HAD THE GRIP

This has been such a trying year for sickness that many will be pleased to read how Lewis Newman, 506 Northrand St., Charleston, W. Va., was restored to health. He writes: "I was down sick and nothing would do me any good. I was full of cold. Had the grip until I got two bottles of Foley's Honey and Tar. It is the best remedy for grip and colds I ever used." Good for grip, coughs, croup, whooping cough and common colds. F. B. Johnson— (Adv.) 7

The X-ray is being applied successfully to pearl fishery the ray detecting the presence of the pearl without requiring opening the shell-fish.

TAKE
PEPSINCO

the best remedy for indigestion that ever came out of a drug store.

You know that pepsin is good for indigestion but pepsin could never do what PEP SINCO will. We have dealt in medicines long enough to know the various uses and value. We unhesitatingly say that PEP SINCO is the best remedy for indigestion, gas, flatulency, food distress, sour stomach and pains under the ribs, that ever came out of a drug store. Sufferers of indigestion and dyspepsia will do well to take PEP SINCO.

Ask your druggist—he sells and recommends Pepsinco.

SHOWS THE VALUE OF FERTILIZING

County Agent M. F. Detrick Has Compiled a Table as to Amount Used by Farmers

DON'T USE ENOUGH, HE SAYS

225 Pounds to an Acre of Wheat Produces 20.1 Bushels—No Fertilizer Shows 13.3 Average.

The threshermen cooperated this past summer with County Agent Detrick in making a survey of the kind and amount of fertilizer used by Rush County farmers, on wheat and the effect on the wheat yield. The work of summarizing these reports has just been finished and some very interesting facts have been brought out.

The reports were classified on the basis of the amount of fertilizer used, placing in one class those using no fertilizer, in another those using less than 125 pounds, in a third class those using 150 to 199 pounds, and the last class those using 200 pounds or more. The average quantity used in these classes pounds, respectively. The average yields per acre were as follows:—Unfertilized, 13.3 bushels per acre; 125 pounds of fertilizer per acre, 17.4 bushels; 175 pounds per acre, 18.4 bushels; 225 pounds per acre, 20.1 bushels. The different quantities of fertilizer gave increase of 4.1, 5.1, and 6.8 bushels respectively. Figuring fertilizer at \$32.00 per ton and wheat at \$2.08 per bushel there is a net profit on the fertilized plots over the unfertilized of \$6.53, \$7.81, and \$10.54 respectively.

The interesting fact about these figures, is that they show that the larger quantities produce the largest net profit, and that the percent of profit on the last addition is almost as great as on the first 125 pounds.

The application of 125, 175, and 225 pounds per acre made 326, 279, and 293 per cent interest on the investment, after paying back the original cost. This is an enormous interest rate.

One of the big problems before the farmers today is to determine how high this quantity of fertilizer can be raised and still get back the original investment and a good net return on the last additional quantity of fertilizer.

Unfortunately, no great amount of data is available to shed light on this subject but what there is indicates that the limit is not yet reached at 225 pounds.

The average of the threshermen reports also show that acid phosphate and mixed good, throwing all kinds of mixed goods in one group, both yielded exactly the same, 18.4 bushels per acre. The average quantity of acid phosphate was 153 pounds, and the average for mixed goods was 155 pounds per acre. At the prices prevailing this fall acid phosphate would sell for \$26.75, and the average price of mixed goods would be in the neighborhood of \$32.00 per ton.

SCARCITY OF WHITE PAPER PREDICTED

Paper is Being Used 20 Percent Faster Than it Can be Made With All Paper Mills Running.

PRICE IS ALSO GOING UP

So serious has the shortage of newspaper become that at the annual meeting last week of the American Publishers Association, which comprises practically all the large daily newspapers in the United States, that active steps were taken to meet the deficiency. Paper is being used 20 percent faster than it can be made with all the paper mills running. This means that in a short time 20 percent of the newspapers will be without stock to print on, or that more of them will be without stock part of the time. Many of the larger papers own their own mills so that the loss will fall on dailies in cities with less than 500,000 population.

Three years ago the price of newspaper was a little over two

A Rare Smoothness of Action

THE thing you will like best and remember longest about a Hot Spot Chalmers is its rare smoothness of action.

You will note an absence of "effort" about its motive power. You will sense almost no vibration, no jars, no engine noises.

That is because Hot Spot "cracks up" the gas into an extremely fine vapor and Ram's-horn hurries it to the cylinders so that gas

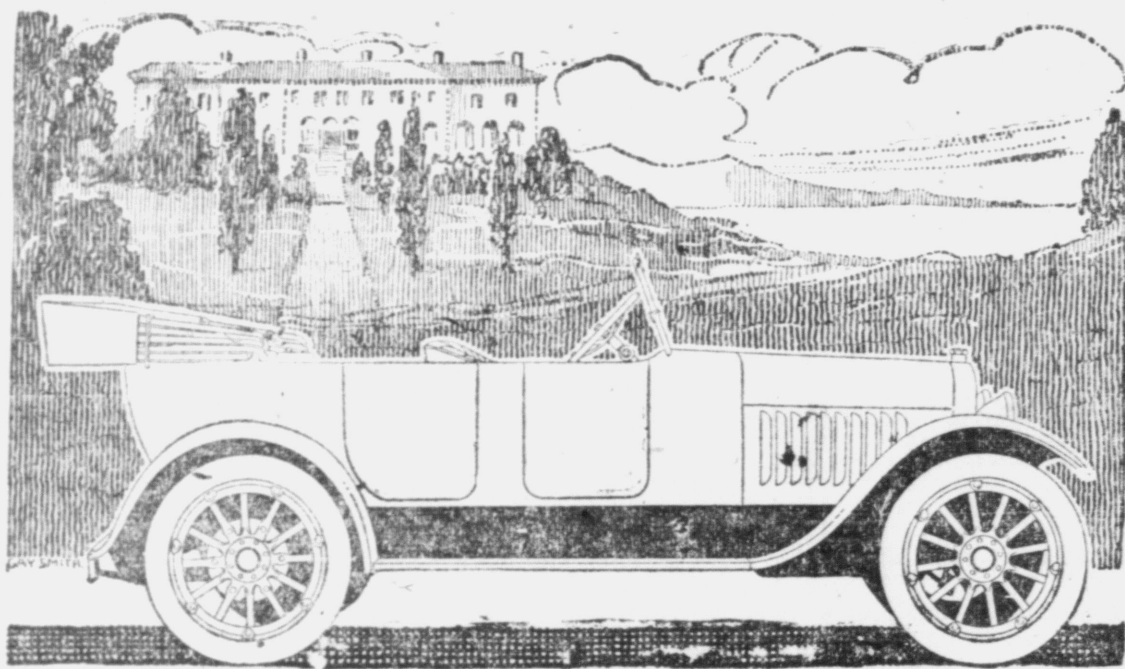

condenses but little en-route.

There are no sharp corners or abrupt bends in Ram's-horn to impede its progress.

If the Chalmers engine had windows you would be amazed at the miracles performed with gas. But when you drive a Hot Spot Chalmers you will note the results obtained, and you, too, will say Chalmers is one of the few great cars of the world.

Rushville, Indiana, Thursday Evening, Nov. 20, 1919

TEN PAGES TODAY

PEACE TREATY WILL BECOME EFFECTIVE BY DECEMBER 1

Supreme Council Decides Enough
Nations Will Have Accepted
The Pact by That Time

ATTENTION ON WHITE HOUSE

President Will Withdraw Treaty and
Present it to Next Congress,
It Is Believed

SENATE THRICE REJECTS IT

Failure Knocks Ground From Under
Hope That There Would be a
Wet Christmas

(By United Press.)

Paris, Nov. 20.—The peace treaty
will become effective by December
1, the Supreme council decided today.

Nations which have accepted the
treaty will exchange formal ratifica-
tion in time for the pact to become
effective on that date.

Washington, Nov. 20.—The na-
tion's attention was riveted on the
White House today for the next
move in the peace treaty battle.

Friends of President Wilson can-
not believe he will swallow defeat on
the treaty and league of nations, in
the interest of which he has sacrified
his health.

The president is understood today
to be working on a statement to the
people declaring that chaos con-
fronts the world as the result of
the treaty failure, that it is a vic-
tory for Bolshevism and Germany
and putting the blame on leaders of
the opposition in the senate. His hot-
test shot may be reserved for his
message to the regular session of
congress to which he intends to
submit the treaty.

One of the first moves he will take
will be to withdraw formally the
treaty from congress so that it may
be presented again. Failure of the
treaty knocked the ground from un-
der the hope that there would be a
wet Christmas. The only wish of the
treaty was that on the proclamation
of peace the war time prohibition
would be lifted, but this seems
improbable.

The administration today only
waited the world's reaction to the
early defeat.

Government officials believed it
could be a severe shock to other na-
tions which participated in the mak-
ing of the treaty because America
took a leading part throughout and
now refuses to accept the document.
President Wilson, himself, is
known to believe that with the Uni-
ted States standing aloft Europe is
able to be plunged into another war
worse than the one just ended, and
which this country will again be-
come involved.

Senators Hitchcock and Under-
wood called at the White House this
morning but were unable to confer
with Secretary Tamm. Hitchcock
said he intended to call again in the
afternoon.

Hitchcock's comment on the de-
feat of the treaty is as follows: "At
least we are still alive."

MAKE AN OFFER TO MINERS

Operators Agree to Increase in
Wages For Strikers.

(By United Press.)

Washington, Nov. 20.—Coal op-
erators here today made the first of-
fer of increase to miners, 400,000
of whom are on strike.

The offer includes an increase of
5 cents a ton to machine miners
who are paid on piece basis and an
increase of 20 per cent to other
miners paid by the day.

LET PORCH LIGHTS BURN

Several Violate Instructions From
Council to Save Current

Chief of Police Wilfong stated
today that several people living in
the residence part of the city last
evening overlooked the ruling made
by the city council, demanding that
there should be no porch lights left
burning, unless they were needed.
The police were told by the city
council to warn the violators, and
if any were found disobeying the
ruling, the electric current would be
turned off. Last night the police
told six or seven people who had
carelessly left the lights on.

LT. HITT PERFORMS FOR FRIENDS HERE

Rushville Boy Loops the Loop and
Does Nerve Dive in Airplane
This Afternoon.

DOWN FOR A SHORT VISIT

Lieut. Joe Hitt of the Speedway
"dropped in" for another visit this
afternoon and performed a few
"stunts" over Rushville for the edi-
fication of his fellow townsmen.
When within sight of Rushville, he
looped the loop several times. Sev-
eral persons observed the perform-
ance in the air and soon everyone on
the downtown streets was straining
to get a glimpse of the aviator to
see if anything else spectacular was
to be done.

Lieut. Hitt circled over the north
part of Rushville and then as he
soared over the court house, he
started in a nose dive. It was so
perfect that many persons thought
the ship was out of control and that
the aviator would be crushed. But
he soon righted the plane and circled
gracefully around the court house
and landed in Boyd's field.

Lieut. Hitt was accompanied by a
sergeant from the Speedway. He
was planning to leave shortly after
three o'clock this afternoon.

DEMANDS REMOVAL OF SHELBY SURVEYOR

Field Examiner of State Board of
Accounts Files Charges Against
George Oltman

COMPLAINTS CAUSE PROBE

(By United Press.)

Indianapolis, Ind., Nov. 20.—De-
mand that George Oltman, surveyor
of Shelby county, be removed and
that the grand jury make investi-
gation of the conditions of the roads
of that county, was made by L.
Donaldson, field examiner of the
state board of accounts, today.

Donaldson charged officials of
Shelby county with law violation
and charged that they changed road
specifications several times without
due procedure.

The road work which Mr. Donald-
son inspected is in Hanover town-
ship. Frank Fagel, auditor of Shel-
by county, also was involved in the
charge.

The investigation was made as
the result of complaints of the tax-
payers of that township.

BUYS CITY PROPERTY

Mrs. Lavina R. George, who has
been living in the southside of the
Megee property in North Main
street, has bought property of Ro-
coe Brooks, 418 West Fifth street.

ADVISING SEIZING MINES

Gov. Harding of Iowa Urges Gov-
ernors of 9 States to Act.

(By United Press.)

Des Moines, Ia., Nov. 20.—Gov-
ernor Harding of Iowa today sent a
letter to governors of the soft coal
producing district, recommending
state seizure and operation of the
mines in an effort to end the miners
strike.

The message was sent to the of-
ficials of Illinois, Indiana, Missouri,
Kentucky, Tennessee, West Virginia,
Pennsylvania, Kansas and Ohio.

SOFT COAL SUPPLY AT LOW EBB TODAY

Many Utilities in State Are on Point
of Closing, Service Commis-
sioner Lewis Says.

ROADS CUT THEIR SERVICE

(By United Press.)

Indianapolis, Ind., Nov. 20.—With
the Indiana coal fields still idle from
the miners strike, the soft coal sup-
ply of the state dwindled to a low
ebb today. Utilities throughout the
state are preparing to withstand
the increased seriousness of the
shortage of bituminous fuel.

E. L. Lewis, chairman of the pub-
lic service commission, announced
that many utilities were on the point
of closing because they were unable
to obtain coal.

The street car service was en-
tailed today, having only 15 to 20
days' supply on hand. Railroads cut
down their service and many men
were laid off from work as the result.
The traction lines out of Indianap-
olis have reduced their schedules.

NEW MAIL BOXES RECEIVED

Old Ones Will Also be Repainted by
Lowest Bidder

The local postoffice has announced
that they will receive bids during the
next ten days from people who wish
to paint the city mail boxes located
on various corners. The plans and
specifications may be had from As-
sistant Postmaster Brown. The bids
will also include the erection of
eight additional boxes, which will be
fastened to the electric light poles.
The postoffice has received three new
boxes of the latest type which will
be located on the pedestal light poles
in the business district. The new
boxes for the business district are
big ones especially adapted for de-
positories where heavy mail is left.

People Violated Speed Ordinance Over 30 Years Ago in Rushville

It Was Quite The Custom to Drive
Old Dobyn Through Ruth Street
at a Speed Greater Than 8 Miles
an Hour—Fines Ranged From 5
to 50 Cents.

DRUNK CASES QUITE FREQUENT

People paid fines in Rushville over
30 years ago for violating the speed
ordinance. They paid fines long be-
fore the automobile was invented. In
the year 1888 the police court, which
was then the mayor's court, was
busy handing out fines to people who
violated ordinance number 22—ex-
ceeding the speed limit.

If old Dobyn would become gay,
or its master who had probably im-
bibed too heavily of the stuff which
used to be purchased at five cents a
drink, had urged the animal on, he
would violate the speed ordinance as
it were—and still is.
Now it seems that Ruth street in

RED CROSS TOTAL SHOWS INCREASE

Membership For 1920 Now Totals
2,363, With No Reports at All
From Three Townships.

HOPES TO CLOSE THIS WEEK

County Chairman Urges All Chair-
men and Other Workers to
Report by Saturday.

Red Cross Roll Call officials today
had visions of the 1920 membership
going above three thousand, with the
total standing at 2,363, a gain of
155 over yesterday's total. Not a
single membership has been reported
from either Ripley, Union or Center
townships, which, together with dis-
tricts in Rushville township which
are still out, are expected to raise
the membership enough to reach
three thousand.

A. L. Riggs, county Roll Call
chairman, today issued an appeal to
all county chairmen, district cap-
tains and local canvassers to com-
plete their work and report by Sat-
urday so that the campaign may be
closed this week. It has now
dragged several days beyond the
date to which the Roll Call was ex-
tended last week.

The only big number of member-
ships in today's report came from
the west side of Walker township,
from which no report had ever been
received. The east half of the town-
ship has already been canvassed and
168 members were reported from
there Nov. 11. With the 146 ob-
tained on the west side, the total for
the township stands at 214.

The remaining nine members re-
ported today were sent in by J. M.
Alsop, a canvasser in Rushville
township outside the city.

"We want all the 1920 Red Cross
members on the record by Satur-
day," said Mr. Riggs today. "So that
we can close the campaign this
week. Undoubtedly, many people
will regret it if they do not continue
in the Red Cross. They lose sight
of the fact that there are thousands
of crippled soldiers in this country
who require constant care and that
the Red Cross must see them
through. Our duty to the men who
fought in this war is not finished."

Where canvassers have failed to
cover their districts, Mr. Riggs
urges that Red Cross members call
at headquarters in the recorder's
office and renew their memberships.
He points out that it is their Red
Cross as much as anyone's and that
it is their duty and privilege to up-
hold and sustain it.

Ten out of the 25 district cap-
tains in Rushville township have not
reported a single renewal. It is es-
sential that they do so.

Continued on Page Five

MYSTERY OVER CAR THICKENS

Shortly After Replevin Suit Holding
Stutz is Dismissed, C. E.
Binkley is Arrested

LIQUOR FOUND IN MACHINE

He Gives Bond For \$500 and Leaves
For St. Louis—No Explana-
tion For Dismissing Suit

The mystery surrounding the big
touring car which was detained here
on a replevin suit filed by the At-
las Security Company, of Kansas
City, Mo., against E. G. Spears,
Walter Binkley and O. F. Bassard
was thickened late yesterday after-
noon, when the plaintiff's dismissed
the case, and the brother of the
Binkley man named as a defendant,
C. E. Binkley, was arrested on a
charge of having in his possession
liquor for the illegal purpose of sell-
ing.

Late yesterday afternoon the at-
torney for the Securities company
appeared in the clerk's office and
filed a petition for dismissal of the
case, which was granted by the
court, and the costs assessed to the
defendants, Spears and Binkley. The
costs were paid.

Within thirty minutes after pay-
ing the costs, the brother of the de-
fendant, C. E. Binkley, was brought
into court on a bench warrant,
charging him with having in the
machine intoxicating liquor for il-
legal purposes.

Binkley was considerably sur-
prised and stated that he knew
nothing of the liquor and said that
the garagemen would vouch that
they had not seen any in the
machine.

The sheriff when he searched the
car, found whiskey packed inside of
the curtains at the top of the ma-
chine and in the sidepockets.

The back seat of the machine also
contained billiard table supplies such
as green covering, cut balls, chalk
and other things common to a bil-
liard table. Spears, it is said by
many here who know him, that his
father is an expert billiard player in
Indianapolis, which might account
for the contents of the machine.

Binkley when arraigned late yester-
day afternoon before Judge
Sparks, showed some emotion, and
entered a plea of not guilty, stat-
ing that he was innocent of any-
thing connected with the whiskey.
He stated that his wife was critical-
ly ill at St. Louis, and left here in
the machine for that city.

Binkley's bond was fixed at \$500,
which was furnished in the form of
a \$500 Liberty Bond of the Fourth
issue, with the coupons annexed.
The date of his trial has not yet
been fixed.

Before leaving here in the car
last night, he had the county clerk
issue him a certified receipt show-
ing that the costs in the case had
been paid and the suit for replevin
dismissed, as he expected to be held
up in other cities, as word of the
stolen car had been sent to every
city in many states.

With the dismissal of the suit, the
mystery as to the ownership of the
machine is not solved, and the find-
ing of the "booze" in the car only
deepens the case, which promises to
become very interesting before it
is closed.

I. & C. SERVICE TO BE CURTAILED

Only Six Cars a Day Will be Run
Each Way, Beginning Tomor-
row Morning at 6 O'clock

ONE EVERY THREE HOURS

Current For Lights Will be Cut Off
Monday if Saving is Not Ef-
fected by That Time

Owing to the order for con-
serving coal and fuel, the drug
stores of this city will close at
eight o'clock each evening until
further notice.

The shortage of coal due to the
strike of miners is responsible for a
curtailment of the service on the
Indianapolis & Cincinnati Traction
company, effective tomorrow morn-
ing, and may result in the light ser-
vice being cut off in Glenwood, Mil-
roy, Homer, Manilla and Arlington,
as well as other small towns along
which the I. & C. supplies with cur-
rent by the traction company.

Only six cars will be run each way
a day on each division, the first one
leaving terminals at 6 a. m. and last
one at 9 p. m., with one every three
hours between 6 and 9.

With the miners evidently deter-
mined to remain on strike until a
wage scale is agreed on, Rush
county people are beginning to view
the situation seriously. Supt. A. T.
Mahin announced Tuesday night the
city water and light plant had only
eight days supply of coal, but ex-
pressed the hope that the plant
would be allowed to run as long as
the railroads do because it supplies
three roads entering Rushville with
water.

The enforced closing of the city
plant would be a catastrophe for
Rushville because there are very few
people who do not depend entirely
on city water. Furthermore, the city
would have no fire protection.

Local factories are reported to be
running short of coal and the days
which they may run are numbered
unless coal is forthcoming soon. At
least two factories in Rushville are
dependent on the city for power and
all of them for lights.

During the curtailed schedule, all
I. & C. cars will run on local time
and make all local stops. From the
time the cars leave the Connersville
and Indianapolis terminals, it will be
possible for patrons to figure the
time they will arrive at a given
Continued on Page Two

TURKEY WILL BE A RARE BIRD THIS YEAR

Walter Thomas Predicts They Will
be 48 to 50 Cents a Pound
Full Dressed Thanksgiving

CROP SCARCER EVERY YEAR

The turkey will indeed be a "rare
bird" Thanksgiving, according to
Walter Thomas, manager of the
Adams Produce company, who says
that the turkey crop is shorter than
ever this year. The turkey which
graces the festive board this com-
ing Thanksgiving will cost from 48
to 50 cents a pound full dressed, Mr.
Thomas predicts.

"Turkeys are growing scarcer
every year," said Mr. Thomas, "be-
cause the risk in raising them is
great and they require considerable
time. Turkeys will be prohibitive in
price in the very near future."

The Adams Produce company is
buying all that can be found now for
the eastern market, but it is not ex-
pected that the local demand will be
as great as usual on account of the
price.

Friday & Saturday Specials

If you were selling a car of hogs whose average weight was 250 pounds each, and the market price was \$15.00 per hundred at the Indianapolis yards, and a packer buyer would ask you to let him buy them at \$12.00 with an average weight of 225 pounds, just what would you do and say?

And yet you feed feeds that do not produce a maximum weight and costs you more to feed than a balanced feed such as Fat Back Hog Feed.

Yes, you want all the weight you are entitled to, as well as the proper price. Then why not be as fair in your own feeding as you demand the buyer of your hogs to be fair in weight and price?

People Violated Speed Ordinance Over 30 Years Ago in Rushville

Continued from Page One
of "Mr. So and So" being brought into court for allowing his cow, to graze upon the public streets and property of the city. This was indeed an awful thing, and was about as serious as a speed demon on a horseback, racing through the streets with his cut-out open, going eight miles an hour.

No, we're all wrong. There wasn't any cut-out ordinance. Not even a tail light or dimmer law.

When a certain Rushville business man was a little boy, back there in 1893, he hopped on a freight train. The town marshal saw him and he was arrested. Of course he pleaded guilty and the mayor fined him a nickel; just a short ride of a block or so. But the costs in the case amounted to \$5.50, and he paid the fine of \$5.55.

People even turned in false fire alarms, away back there 31 years ago. The records show where three men rang the fire bell and caused public excitement, when there was no fire. The bell was then located above the engine house with a rope hanging down so that it could be rung in case of fire. It cost the three men \$5.55 for turning in a false fire alarm, and today it would cost them \$25 and six months at the penal farm.

In those days bootlegging was unheard of—but whiskey wasn't. More people were arrested then in a week than there are now in many months. If you got drunk, the first offense would be one cent and the second trip a dime, and it scarcely ever exceeded a dollar. The costs were always added of course, and they usually amounted to \$3.00 or \$4.00, depending upon the amount of trouble you caused the marshal in getting to jail. He got paid by mileage.

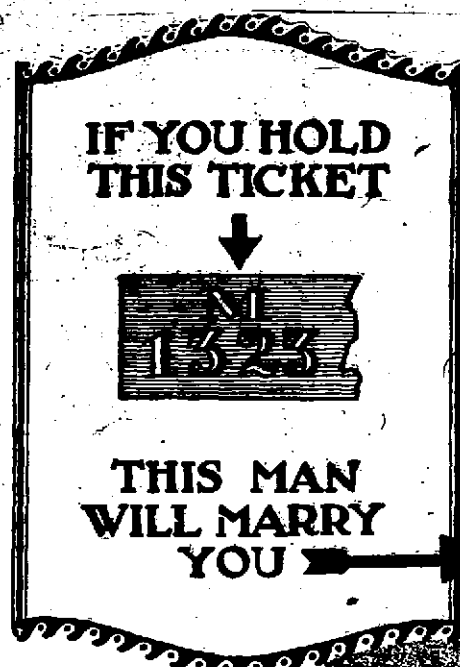

Then when you look at the allowance book for the same date, \$4 was considered a lot of money. The council was paying teams and laborers at the rate of 16 cents an hour. When brought up on a charge and given a fine, you were allowed 90 days in which to make payment. Some of the records resemble an installment account of a furniture

RHEUMATISM LIKE A MULE

You've got to coax it to make it go. "Neutrone Prescription 99" will start the most stubborn and degenerated case of rheumatism. We have witnessed its effectiveness in hundreds of cases. It does wonders. "Neutrone Prescription 99" is entirely different from the old preparation in that it aims at eliminating all rheumatic poisons by purifying the blood, common sense teaches you that it removes those awful pains, limbers up those swollen, stiff joints and muscles in a way that you cannot get a better result. Get the old stuff out of your system. For sale by Dr. J. W. Wilcox, Druggist, and leading druggists everywhere.

WHO IS HE? WHY IT'S WALLACE REID "THE LOTTERY MAN"

A Paramount Aircraft Picture

PRESENTED BY JESSE L. LASKY

Why worry about the high cost of living when you can buy a husband for a dollar?

Wouldn't give a dollar for a husband? Well, that wasn't the sentiment of 200,000 women—all

shapes, ages, sizes and colors—who took a chance on the Lottery Man.

Whereby hangs the tale. See it on the screen. Not one chance in a million that you'll lose!

store, where 25 cents would be the weekly payment.

Things today have changed somewhat, but even at that if your horse is driven over eight miles an hour, or you get drunk, or allow your cow to eat grass in the street, you'll get arrested and fined, but it takes more than \$2 or \$3 to keep you out of jail, and a one cent fine is now a matter of record only.

I. & C. SERVICE TO BE CURTAILED

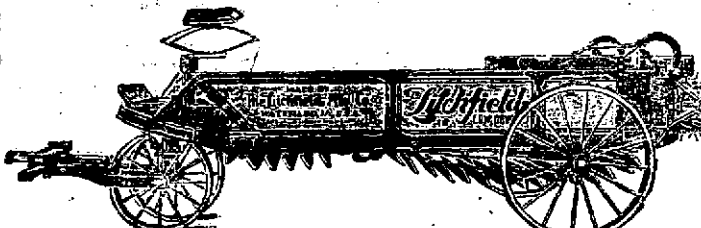

Continued from Page One

For example, the running time of a local car on the present schedule from Connersville to Rushville is 36 minutes, and cars leaving Connersville on the new schedule at 6 and 9 a. m., noon, 3, 6 and 9 p. m. will arrive here 36 minutes after the hour. The running time of a local from Indianapolis to Rushville is one hour and 32 minutes, so that, for example the car leaving Indianapolis at 6 a. m. will arrive here at 7:32.

"On account of the shortage of coal brought on by the strike of the miners' union, in violation of law and the order of the United States court, refusing to mine coal, we face a complete shutdown of all roads in a very few days," says the announcement by Charles L. Henry, president of the I. & C. today. "To avoid this as long as possible and to give the communities we reach as much service as possible, we will, beginning at 6 o'clock a. m., Friday, Nov. 21, 1919, commence operating on a reduced schedule."

"Patrons using electricity for lights are requested to cut down their consumption to the very lowest amount," says the statement, "and if this does not bring a sufficient of the current required, all of the current for lights will be turned off Monday morning, Nov. 24, 1919. A great many will be discommoded by the change of schedule and the cutting off of lights, but it is a time of stress when everybody will be discommoded and all loyal people must bear the inconvenience with bravery."

GUARANTEED

FOR FIVE YEARS. WHY?

If a machine is to be guaranteed for a term of years, it must be built to stand up at least that length of time. Every part must be as strong as the rest—no weak points. Something besides "bull strength and awkwardness" is necessary. The "RUSHVILLE SPECIAL" Spreader is scientifically constructed, and the Litchfield Company knows this, because under its own roofs, every part and piece is built from the raw material. This spreader is not the product of an "assembling" plant.

In building the "RUSHVILLE SPECIAL" Spreader for me, every unnecessary part has been eliminated and the machine scientifically designed and constructed, so that no needless material is used. All required strength is there but your team need not haul around any useless, clumsy, awkward "wooden shoe" weight or bulk. The Bull Dog Benter Wheel and the No-Choke Box put less strain on the machine than any other form of construction so far invented. They also greatly reduce the draft on the horses.

The Self-Oiling journal bearings, the single lever, the studied simplicity—all tend toward efficiency and making the machine fool proof.

The all steel frame with circle front and steel bridged bolster construction, the endless self-cleaning conveyor, self-aligning bearings, high carbon beater teeth, crossed truss reinforced frame—all scientifically built together, give me a spreader of KNOWN quality. Thus our reason for the guarantee which comes with the factory's signature. Look this spreader over.

Corns Come Off Like Banana Peel

"Gets-It" Leaves Toe Smooth As Your Palm. Never Fails. Ever peel off a banana skin? Well, that's the way "Gets-It" peels off any corn or callus. It's a picnic. Nothing else in the world will do it.

"2 Drops of 'Gets-It,' Good-bye Corns!" but "Gets-It" because of the new secret principle in the "Gets-It" formula. "Gets-It" does away forever with "contraptions," "wrappies," "plasters," ointments that rub off, blood-letting knives, and scissors that cut into the "quick." "Gets-It" causes pain. It takes but a second or two to use "Gets-It." There's no fussing or trouble. It dries immediately. You put your stocking right back on again. Your corn will come off painlessly in one complete piece. That's common-sense. It never fails. "Gets-It," the only sure, guaranteed, money-back corn-remover, costs but a trifle at any drug store. Mfgd by E. Lawrence & Co., Chicago, Ill. Sold in Rushville and recommended as the world's best corn remedy by P. B. Johnson & Co. and Hargrave & Mullin.

Feeble Old People

Gain Strength and Vigor rapidly on Vinol, our Cod Liver and Iron Tonic.

Vinol contains the very elements needed to replace weakness with strength, just as it did for this New York man.

"I am 74 years of age and got into a weak, run-down condition as a result of the gripe. Our druggist suggested Vinol to build me up and I noticed an improvement soon after taking it, and it has restored my strength so I can now do a good day's work. My wife has also taken Vinol for a run-down condition with splendid results."

NOTE:—Your leading druggist has for many years specially recommended Vinol because he knows there is nothing better than this famous Cod Liver and Iron Tonic to create strength and build one up. The formula of Vinol is an every label.

Your money back if it fails. F. E. Wolcott & Co., Druggists And Druggists Everywhere.

LEGAL BATTLE BEGINS IN THE SUPREME COURT

Argument of Constitutionality of War Time Prohibition Act is Started Today

BIG CROWD LINES STREETS

(By United Press.) Washington, Nov. 20.—Attorneys for the liquor interests and government began a legal battle today over the constitutionality of the war time prohibition law before the supreme court.

The opening move was the request of Wayne Wheeler, counsel for the anti-saloon league, to a brief in support of the government. This was granted by the Chief Justice White.

The court room was crowded to capacity and on the outside a throng lined up for blocks awaiting to gain entrance. Elihu Root, Levi Mayer and William Marshall Bullitt, were in the court behind a mass of papers to make arguments for the liquor interests. G. L. Person was ready to make the main arguments for the government assisted by Assistant Attorney-General King.

GRADE TEACHERS MEETING

To Discuss Results of Their Trips to Other Schools Yesterday.

Rushville grade teachers expected to hold a meeting this afternoon at four o'clock to discuss their observations yesterday when they visited the schools at Indianapolis, Connersville and Shelbyville. It was stated by Supt. Scholl today that all of the teachers were immensely pleased with the day spent in other schools because they felt that it was of great value to them. The teachers will compare notes so that all may have advantage of the new method observed on all the schools visited.

A box supper will be given at the Manila high school building Friday night. The public is cordially invited and each girl is requested to bring a box. The social will begin at 7:30 o'clock.

Help for Cripples

There are perhaps 40,000 American soldiers, sailors and marines, disabled in the war, who are candidates for the scientific retraining courses provided by the government. The Federal Board for Vocational Retraining has already cared for 13,000, and is placing others under training at the rate of 1,200 a week.

These war veterans are not only helped by a grateful country to overcome their handicaps, but are paid \$80 to \$150 a month while they are training. It is a work never attempted in connection with any previous war, but it is recognized today as no more than the due of these patriotic victims.

A similar plan is now being undertaken to help industrial victims. The "cripples in industry" bill, which is expected soon to become law, establishes a system of co-operation whereby the federal government will give \$1 for every dollar given for this purpose by a state. Some states have indicated their willingness to contribute \$3 or \$4 to every dollar from the federal treasury. The methods used will be precisely the same as in the army and navy rehabilitation schools.

Thus out of the war comes another beneficent and unforeseen result. There are about 300,000 persons injured in American industries every year. Of this number perhaps 30,000, who are rendered permanently helpless and dependent under ordinary conditions, can by scientific training be enabled to earn their own living again and finish their natural lives in self-respecting independence and comfort. It is a service valuable alike as a measure of justice to the victims and as a contribution to industrial productivity.

High Cost of Government Control

Each succeeding illustration of the difficulty in getting the expenditures of the government back on a peace basis is an added argument against government ownership or operation of any enterprise that can be conducted by private ownership and

Sap and Salt

By BERT MOSES

The only way to get peace is to be peaceful.

The piano is often an instrument of torture to the neighbors.

Time flies when your work is pleasant, and drags when it isn't.

Hez Heck says: "The tears of a widow frequently conceal a smile."

Co-operation is fine up to the point where individualism disappears.

The more the Government lets us alone, the more will we do for ourselves.

management. Not only have government employees held to their jobs as tenaciously as possible, but it is asserted on competent authority that heads of departments and bureaus have endeavored to retain their clerks as long as possible, even when the work had greatly diminished. However much the employee may complain of the inadequacy of his pay, he sticks to the job. However much the head of a bureau may pretend to practice economy, he realizes that if the number of employees under him should decrease there will be an appearance of diminishing importance of the work he is doing, and he will suffer loss of prestige or loss of his job. All the influences, therefore, are against economical operation in the government service. Keeping these facts in mind, the people of the country should insist that there shall be no movement toward permanent government operation of the railroads or steamship lines, the telegraph, the telephone, or other public service enterprises. The people will find it cheaper in the end to pay even exorbitant charges, if any exist, to private institutions until the charges can be properly regulated by law than to pay permanently the higher costs of government management.

When corporations become human, and strikes are no more—the rest of us, forsooth, will also be no more.

The bitter truth has been discovered at last. The mice in the pantry are striking for a better grade of cheese.

Now let the government enact stringent laws compelling both sides to submit their grievances to arbitration, and put an end to this exasperating entanglement of production.

A man curses when he feels like it. A woman laughs when she doesn't.

The strike which produces the greatest good to mankind is the one which hits a hot piece of iron, the head of a nail, or otherwise aids in the work of production.

TAUGHT KING TO RUN LOCOMOTIVE IN 1898

John Kilbane Read With Interest Every Press Account of Albert's Visit to U. S.

KING LEARNED VERY QUICKLY

(By United Press.)

Moorhead, Minn., Nov. 20.—John Kilbane, veteran engineer on the Great Northern railroad here, read with interest every press account of the visit of Belgium's royalty to America.

When King Albert, then a prince, visited America 1898 and made a trip over the Great Northern as a guest of J. J. Hill, Kilbane taught the royal passenger to run an engine. He says Albert was an apt until and quickly learned to handle the throttle, lever and air brake and watched the track with solicitude.

The larch string of the Brussels palace is ever out for Kilbane, King Albert has assured the engineer in messages.

Miss Catherine Keating, has resigned her position as stenographer with Kiplinger and Smith and accepted a similar one with McFarlan, Motor company of Connorsville.

AMUSEMENTS

300,000 Women Take a Chance

Across the public square shot a torn and bleeding man, five hundred frantic women in hot pursuit. His shirt was ripped to shreds, his face cut, and in his eyes was the wild look of the hunted creature. He sprang nimbly upon a platform above the heads of his pursuers. They gave an exultant cry as they saw him approach the two cylinders in which his fate was concealed. A husky young female leaped up beside him and started to draw the fatal papers from the glass. With fascinated eyes—

But this isn't one of those French detective stories. It's just to give a faint idea of the wild predicament into which Wallace Reid's rashness precipitated him in his latest Paramount-Artcraft picture, "The Lottery Man," which will be the attraction at the Princess theatre today and tomorrow. The athletic young star has the role of Jack Wright, who, to pay a debt of honor and to make a fortune for his devoted little mother, volunteered to raffle himself off as a husband for a dollar a chance. He repented of his bargain when he fell in love with a pretty girl, but it was too late. The mad feminine rush had started. To win the girl and the fortune too requires aid of Mr. Reid's quick wit and nimbleness and results in one of the most hilariously entertaining films in which the popular star has yet appeared. Wanda Hawley is the girl, and Harrison Ford and Sylvia Ashton are also included in the cast. James Cruze directed the picture.

Elmo Lincoln at Mystic

Elmo Lincoln is at the Mystic today in the seventeenth episode of the serial, "The Plunge." Pete Morrison is in a two-reel western, "Ace High" and Lyons and Moran play in a comedy, "Who's Here Husband?" Mary MacLaren won her screen fame through the medium of a long, line of successful photodramatic vehicles, notable among them being "The Unpainted Woman" and "The Weaker Vessel," yet critics say that her newest production, "A Petal on the Current," which will be shown at the Mystic Theatre Friday is more pronounced in its exposition of the star's histrionic qualities than any previous offering.

The inspiration for this statement lies in the ensemble of author, director, photographer and technical chief whose combined talents created the cinema reproduction of Fannie Hurst's most popular Cosmopolitan Magazine short story.

Tod Browning, who made "The Exquisite Thief" for Priscilla Dean and "The Unpainted Woman" for Mary MacLaren, directed "A Petal on the Current." William Fildew, who has been cameraman for such stars as May Allison, Lillian Gish, Emmy Wehlen and Dorothy Dalton

THIS WOMAN FOUND RELIEF

Men and women suffering from backache, rheumatic pains, stiff and swollen joints, lameness and soreness will be glad to read how one woman found relief from kidney and bladder trouble. Mrs. G. Hyde, Homestead, Mich., writes: "I have been troubled with weak kidneys, and several times in the last ten years I had that terrible backache and tired out feeling, scarcely able to do my work. Foley Kidney Pills made me feel like a new person. F. B. Johnson.—(Adv.)"

Our Daily Laugh

New, and Bright Yarns That Will Tickle You and Will be Relished by Your Friends When You Repeat Them.

Old Zeke Mathers walked with a cane and gloried with chilblains, but rumor had it that he was a record-breaker for speed on a chicken hunt. He'd been before the judge twice in a month, and through "pull" with a local attorney had been cleared the first time. The second appearance found him alone. The Judge scanned the culprit and said: "You haven't an attorney?" "No, Boss." "Do you want me to name an attorney for you?" "No, sah. De last time Ah was heah, Ah had a lawyer, and he got half the chickens."

This Broke a Mother's Heart

MARY MACLAREN
IN FANNIE HURST'S GREATEST STORY
"A PETAL ON THE CURRENT"
IT'S A UNIVERSAL PICTURE

FRIDAY SPECIAL — NO ADVANCE IN PRICE

There's a deal of injustice in the world. For instance, pretty Stella Schump, the most lovable girl in the neighborhood, the pride of a mother's heart, was arrested on an ugly charge thirty minutes after she had kissed mother good-bye with heart fluttering at the mere thought of meeting a "man" at her chum's party.

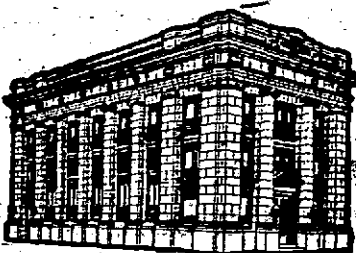

Daughter's ten days in jail for soliciting broke Mother Schump's spirit and when the girl's jail term was up she brushed past a crape on the front door of the dingy apartment she called home, and no mother-arms were held out to greet her. Instead she was faced with the taunts and sneers of a catty landlady. And then—but the sequence is told in one of the most appealing photoplays ever devised. See "A Petal on the Current," Mary MacLaren's latest picture adapted from Fannie Hurst's famous magazine story of heart throbs and smiles. It is booked for the Mystic Theatre Friday.

MEN AND WOMEN ARE NO OLDER THAN THEY FEEL

One of our leading doctors says, "Everyone, no matter what their age, can be healthy and strong. It is a case of take care of yourself."

"For want of iron and Phosphates you may be old at thirty, nervous, thin, weak, and all-in, while at fifty or sixty, with plenty of iron and Phosphates in your blood, you will feel young, full of life, vim and energy."

"Many a man and woman who ought to feel young are losing out simply because their blood and nerves are starving for want of Phosphated Iron. Lack of iron and Phosphates makes men and women old long before their time, weak, run-down nervous wrecks."

"You will find that the strong, keen, forceful, successful men and healthy, rosy-cheeked, happy women are those whose blood and nerves are charged with iron and Phosphates."

"Phosphated Iron makes new, rich red blood; renews nerve force and vitality, and increases one's strength and appearance one hundred per cent. Thousands of men and women who were 'all-in' have 'come-back' with astonishing health, strength and happiness by taking Phosphated Iron."

"Phosphated Iron is put up in capsules. Do not take inferior pills or tablets. Ask for Phosphated Iron capsules. For sale by

Pitman & Wilson, the Druggists, and leading Druggists everywhere.

Indianapolis & Cincinnati Traction Company.

Special Coal Strike Schedule

On account of the shortage of coal, brought about by the strike of the Miners' Union, in violation of law and the order of the United States Court, refusing to mine coal, we face a complete shut-down of all roads in a very few days.

To avoid this as long as possible and to give the communities we serve as much service as possible, we will, beginning at 6 O'clock A. M. Friday, November 21, 1919, commence operating on a reduced schedule as follows:

Leaving Indianapolis for Connersville.

6:00 A. M.	9:00 A. M.	12:00 Noon
3:00 P. M.	6:00 P. M.	9:00 P. M.

Leaving Indianapolis for Greensburg.

6:00 A. M.	9:00 A. M.	12:00 Noon
3:00 P. M.	6:00 P. M.	9:00 P. M.

Leaving Connersville for Indianapolis.

6:00 A. M.	9:00 A. M.	12:00 Noon
3:00 P. M.	6:00 P. M.	9:00 P. M.

Leaving Greensburg for Indianapolis.

6:00 A. M.	9:00 A. M.	12:00 Noon
3:00 P. M.	6:00 P. M.	9:00 P. M.

All the cars will be operated as locals and patrons can easily, from the outstanding time tables, figure what time they will reach any given point by noticing when they leave either Indianapolis, Greensburg or Connersville terminal.

Patrons using electricity for lights are requested to cut down their consumption to the very lowest amount, and if this does not bring a sufficient saving of the current required, all of the current for lights will be turned off on Monday morning, November 24, 1919.

A great many will be discommoded by the change of schedule and the cutting off of lights, but it is a time of stress when everybody will be discommoded and all loyal people must bear the inconvenience with bravery.

The freight service will remain as usual as it is a real necessity to the various communities for living purposes.

Ordinary service will be resumed as soon as a sufficient supply of coal can be had therefor.

Preserving New and Old Linoleum and Oil Cloth

Linoleums And Oil Cloth May Be Preserved By
Applying One Or Two Coats Of

(Elastica Floor Finish)

as on wood floors. When two coats are to be applied the first coat should be reduced ten per cent with pure spirits of turpentine and should be allowed 24 hours for drying, then sand-paper lightly and apply a second coat of ELASTICA FLOOR FINISH, using the varnish as it is received in the can. Old Linoleum and Oil Cloth must be thoroughly washed with warm water and soap or washing powder to remove all dirt and grease, then washed with clear water to remove all soap. When thoroughly dry, apply two coats of ELASTICA FLOOR FINISH as previously directed.

STATE "CHAMPS" MEET SATURDAY

Heze Clark Predicts Championships
Will be Won and Lost in Games
Saturday

EVERY TEAM IN ACTION.

Notre Dame Meets Purdue for State
Championship—May End Season for Some

By HEZE CLARK.
(Written for United Press.)

Indianapolis, Ind., Nov. 20—With every college football team in Indiana in action on the gridiron Saturday, Nov. 22, and that day marking the close of the season for many of the teams, the importance of the games this week is plainly seen. Championships will be lost and won. The state championship will be decided at Lafayette when Notre Dame plays Purdue. Coach Rockne's Catholic eleven defeated Indiana some weeks ago on a muddy field in a game played at Indianapolis by a 16 to 3 score. Notre Dame has not met defeat and has won games from such teams as West Point and Nebraska. It has been a rough season for Purdue. Franklin one of the little colleges started the season by playing Purdue a 14 to 14 tie game at Lafayette. Chicago, Illinois, and Ohio State all took turns defeating Purdue. Coach "Butch" Scanlon's material was new and inexperienced. Purdue defeated the Michigan Aggies by a close score and last Saturday the Aggies played Notre Dame.

While the state championship game is being fought at Lafayette there are other games that are attracting attention. Indiana University is holding a "home coming" day at Bloomington and the attraction is a football game with Syracuse. Just why the eastern team was ever placed on Indiana's schedule no persons seems to know. The crowd will gather more to see Syracuse the team that trounced Pittsburg University, play football than for any other reason. Not even the Indiana students think their team has a chance and the alumni are hoping to see the day when Indiana and Purdue will resume their annual game at the close of each season.

Football fans at Greencastle are to have a real treat Saturday. DePauw will play Center College of Kentucky. The followers of the gridiron sport heard much of Center College early in the season when the Kentucky champs defeated Hanover 95 to 0, and then came Bloomington a week later and defeated Indiana University 12 to 3. DePauw did not play Center in 1918, but in 1917 the Tiger eleven won from center by a 6 to 0 score. The Kentucky team is after revenge this year and Coach Buss' team must play at top speed to hold them even. DePauw played Purdue last Saturday at Lafayette.

Earlham will play St. Xavier at Cincinnati Saturday. The Indiana teams have had little luck with St. Xavier this season. First Hanover was buried under a 66 to 0 score by the Saints. Then Franklin lost to St. Xavier by a 9 to 0 score. Then

Rose Poly tried it. St. Xavier however won from the Engineers by a 6 to 2 score. Now Earlham will try it. The Quakers defeated Franklin 6 to 2, and are confident they will give the Ohio team a great battle. The annual game between Franklin and Butler is sure to attract a crowd at Franklin this year. Last Saturday Butler played Earlham at Richmond and on the same day Franklin met Wabash at Washington Park in Indianapolis. Last year the Franklin-Butler game was staged in Indianapolis. It was a wonderful battle. Franklin got the lead by a safety and held it until the final minute of play. Franklin had out played Butler from the start but it seemed did not have the punch to score a touch down. The score was Franklin 2, Butler, 0 and then the "break" came.

That defeat still hurts Franklin, and Coach John Thurber said at the start of the season he would rather defeat Butler than win any other game of the schedule. Thurber is a former Colgate player and he repeated this statement after the Wabash game Saturday night. He declared that Butler would have a real reception when it played Franklin Nov. 22.

Wabash will play Marquette at Milwaukee Saturday. These teams have met on the gridiron a number of times in past years and the big game this season is watched with interest. Wabash lost an early season game to Indiana. However the Little Giants coached by Pete Vaughn and Townsend have developed and they played a 0 to 0 tie game with DePauw which attracted a crowd of 8,000 persons at Washington park. It was one of the best seen in the Hoosier state this year. The Wabash team may be counted on to give Marquette a great battle.

RED CROSS TOTAL SHOWS AN INCREASE

Continued from Page One

estimated that they will average twenty members to the district, which would make a substantial increase in the total to date. The captain of one of the districts in western Rushville township has never even called for his supplies at a Rushville store where they were left for him.

It is reported that very little has been done in Union township, which is likely to fall behind in the procession unless the workers get busy at once. Headquarters has no idea of the progress which is being made in Ripley and Center townships.

RED CROSS NOTES

A municipal hospital has just been opened in Albania, making the fourth to be operated there by the American Red Cross.

Medical supplies being scarce in the Carvin district in France, the American Red Cross has established small First Aid stations for nearly every village in the district.

Rheumatism Leaves You Forever.

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenru, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitious and where the patient was helpless.

Allenru relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the tortments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed all druggists to guarantee it in every instance. adv.

Knights of Columbus

The Knights of Columbus will give a euchre party tonight in their card rooms in West Second street. Members are urged to go and take all their friends. * * *

About thirty-five couples attended the dance at the Modern Woodman Hall last evening. The Greensburg jazz orchestra furnished the music for the dancers. * * *

A dance has been announced for Tuesday night, November 25 at the Knights of Columbus hall, to be given by the young ladies affiliated with the Knights of Columbus. * * *

The ladies of the First Baptist church met in business session yesterday afternoon in the parlors of the church with a number of ladies in attendance. Plans were made for a penny supper to be given December 5. * * *

Mrs. Hugo Schmalzall was hostess for the Band of Workers yesterday afternoon at her home in West First street. An interesting program and business session was held after which the hostess served refreshments. * * *

Mr. and Mrs. Oliver O'Brien were host and hostess last evening for a six o'clock chicken dinner at their home in North Jackson street. The honored guests were Mr. and Mrs. J. B. Pusey. The centerpiece of the table was a large basket of fruit. * * *

The Rebeckah Crochet Club was entertained at the home of Mrs. Charles Ryan in North Jackson street yesterday afternoon. Needlework was the diversion for the afternoon and at the close of the meeting a dainty luncheon was served. * * *

A number of social functions have been given in honor of Mrs. Harlan Overleese of near Milroy, who is visiting Mr. and Mrs. Clyde B. Willard, of Fort Smith, Ark. Mrs. Overleese is well known in this city, being the sister of Mrs. Ray Larkin. A number of parties are being planned this week also in her honor. * * *

Miss Mary Ellen Carroll delightfully entertained last evening with an informal party honoring Lawrence Carroll of New York City, who is visiting in this city for a few days. About twenty-five guests were present. Mr. Carroll was recently discharged from service, after being engaged as a secretary in the Knights of Columbus War service at Paris Island. * * *

Monday evening a jolly party of young folks of the Orange neighborhood enjoyed a wicker roast in Scholl's wood, north of Orange, in honor of Miss Margaret Bratton of Connersville, who was assistant teacher in the Orange school the first part of the year. The evening was spent in roasting wieners and playing games. Those present were the Misses Helen Reed, Edith George, Thelma Dawson, Lela Bowen, Thelma and Frieda Norris, Lulu Wiggins, Dorothy Davis and Margaret Bratton and Milton Long. Roland Morris, Theron Dawson, Charles Mingle, Coleman Phillips, Landon Schrontz, Irvin Long, Virgil Pyke, Alonzo Armstrong, Leon Sipe and Lee Outland. * * *

Mr. and Mrs. R. A. Innis, 621 North Harrison street, announce the marriage of their daughter, Mary Ruth to Russel E. Kirkpatrick, son of Mr. and Mrs. S. B. Kirkpatrick, which took place yesterday evening at 6:30 o'clock at the home of the bride. The wedding service was read by the Rev. J. T. Aiken. The attendants were Miss Allene Budd, maid of honor; Allan Maxwell of Indianapolis, best man, and Fletcher

PENNY SUPPER
The Band of Workers of the First Presbyterian church will hold a Penny Supper in the church basement Friday evening Nov. 21, commencing at 5 o'clock. Nov. 14-18-20

CHICHESTER'S PILLS
THE FAMOUS BRAND
SOLD BY DRUGGISTS EVERYWHERE

Buy Your Shoes by this Trade Mark

It Means Fashion, Full Value and Real Satisfaction in Footwear

QUEEN QUALITY on a shoe is the stamp of character—the unfailing guide to style, value and satisfaction.

Character is the proper balance of design, fit and quality, reflecting your desire for consistent style and service. It identifies Queen Quality shoe service throughout the world. It means satisfaction wherever Queen Quality shoes are sold.

Years of success in service have secured Queen Quality leadership. Close study of style tendencies has developed Fall and Winter models of the smartest character. Careful store service in selection and fitting insures pleasure in wear.

Of Queen Quality shoes we say as always: "Buy them with confidence; wear them with pleasure; they are your assurance of being well shod."

This Trade Mark is on all "SHOE-SOAP" Kid Shoes. Because reputation is valued above all else, Queen Quality fine black kid shoes are made of "Shoe-Soap" Kid. Eight years of consistent use in Queen Quality Shoes have proved its leadership. This association of Queen Quality endeavors with that of the tanner and retailer enables women to obtain exceptional shoes made from "Shoe-Soap" leather which they have long tested and now demand.

The Mauzy Company

Smith, the bride's small nephew, ring bearer.

The bride was given away by her father. She wore a gown of beautiful white crepe meteor, draped with Belgian lace and embroidered with sequins. Her tulle veil was caught with a fillet of orange blossoms and she carried a shower bouquet of orchids and roses and maidenhair ferns. Miss Budd's gown was of pink chiffon with trimmings of Belgian lace and silver ribbon. She carried an arm bouquet of bridesmaid roses. The bridal music was furnished by Miss Mary Jane Carr, who sang "At Dawning" and "Because" with a harp and violin accompaniment.

The house was beautifully and elaborately decorated with orchids and white chrysanthemums, ferns and southern smilax. Soft candlelight gave the service added beauty and impressiveness.

Following the ceremony the wedding dinner was served. The bride's table was exquisite with chrysanthemums in the bridal colors.

Mrs. Kirkpatrick is a graduate of Indiana university and a member of the Kappa Alpha Theta and Psi Iota Xi sororities. Mr. Kirkpatrick is also

a graduate of Indiana university and is a member of the Beta Theta Pi fraternity.

Mr. and Mrs. Kirkpatrick left for a wedding journey to New York and Washington, D. C., and will be at home after December 6, at 621 North Harrison street.

The sixty guests present included the following from out-of-town: Mrs. Chester Smith and son Fletcher of Monmouth, Ill., Mr. and Mrs.

Milton Reeve of Columbus, Ind.; Mr. and Mrs. William Kunkel of Bluffton; Perry Innis of Milroy; Mr. and Mrs. Harry Logan of Greensburg; Mrs. Nettie Stewart of Lebanon; Allan Maxwell of Indianapolis; Miss Dorothy Wills and Miss Esther Jackson of Bloomington and Miss Mary Rieman of Connersville.

GOD'S PLAN TO SAVE MEN

Clear Presentation by W. N. Briney at Christian Church

Those who missed hearing the sermon by the Rev. W. N. Briney at the Main Street Christian church last evening missed a rare intellectual treat, and wonderfully clear presentation of God's plan by saving men from sin, it is declared. The sermon was regarded as the clearest and sanest discussion of this important question ever heard here. The subject for this evening will be "Four Fatal Footsteps." Homer Cole sang a delightful and pleasing solo. There was a fine audience and a deep spiritual interest manifest at the service.

JOINT MEETING TONIGHT.

A joint meeting of the official board and Sunday School board of the St. Paul's M. E. church will be held at the call of the pastor this evening at 8:20, immediately following the prayer meeting service. Important business will be discussed and a full attendance is requested.

Filler to Overflowing With the Joy of Living

The simplest remedies are nearly always the best. That's why thousands of bright-eyed, clear-skinned men and women keep themselves fit and fine by having an abiding faith in

Celery King

the simple, old-fashioned inexpensive vegetable tea that your grandmother used to make.

It purifies the blood, regulates the bowels, keeps the stomach clean and sweet and is the best tonic laxative you can take.

The kiddies like it, too, for it is gentle and mild. Give it to them when they are fretful and feverish. Adv. 6

BETTER DEAD

Life is a burden when the body is racked with pain. Everything worries and the victim becomes despondent and downhearted. To bring back the sunshine take

GOLD MEDAL HANLEY OIL

The national remedy of Holland for over 200 years; it is an enemy of all pains resulting from kidney, liver and uric acid troubles. All druggists, three sizes. Look for the name Gold Medal on every box and accept no imitation.

Tested 250,000 Miles Three-Point Cantilever Springs Greatest Improvement Since Pneumatic Tires

OVERLAND 4 has been put through the most thorough and severe test possible. 250,000 miles of mountain trails, desert sand, heat, cold, mud and dust, demonstrated the quality of every part of the car long before we began manufacturing.

This remarkable test showed conclusively that Three-Point Cantilever Springs, exclusive with Overland, are the greatest improvement in riding comfort since the introduction of pneumatic tires.

They protect the car from road shocks and prolong the life of every part.

They enable the wheels to hold better to the road. They give

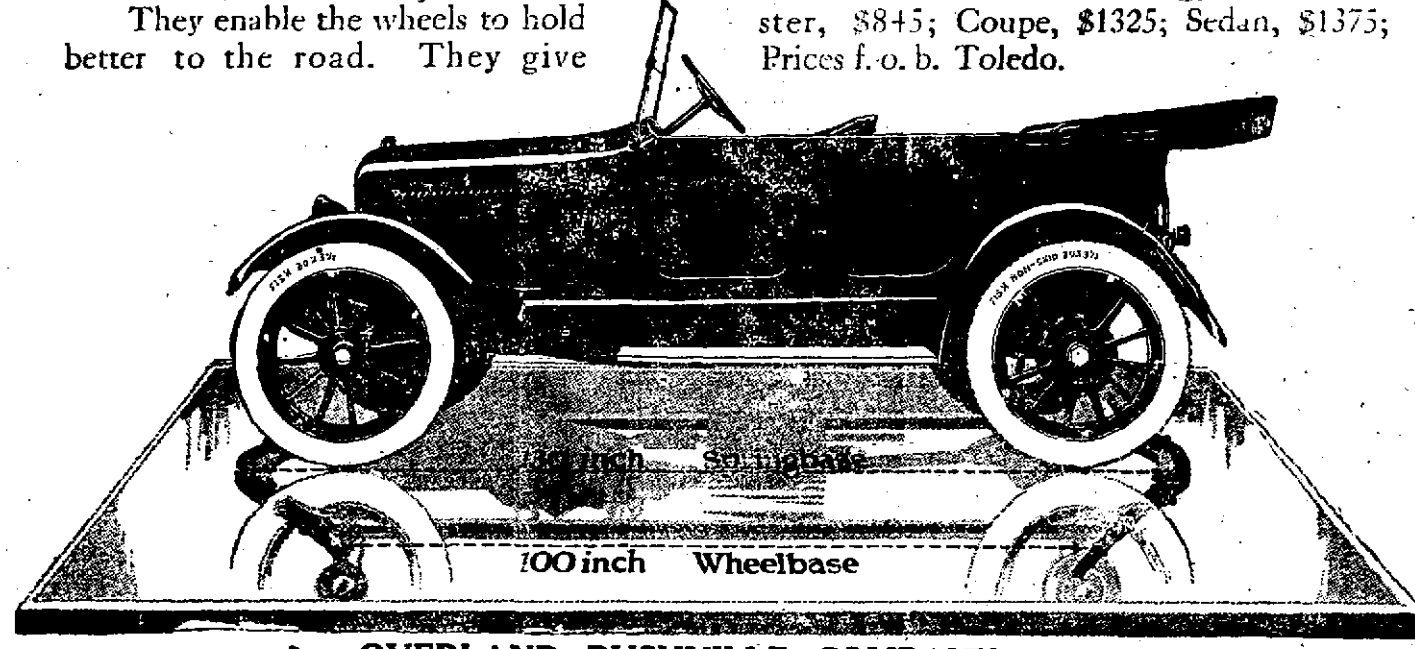

greater comfort under all road conditions.

They do away almost entirely with side sway and rebound which twist and rack the car.

Diagonal attachment of the Three-Point Springs at both ends of a 130-inch Spring-base gives the steadiness and smooth riding of the heavy car of long wheelbase.

Equipment is complete from Auto-Lite Starting and Lighting System to Marshall Divan Spring Upholstery.

Come in and see this car. Ask for Booklet. Overland 4 Touring, \$845; Roadster, \$845; Coupe, \$1325; Sedan, \$1375; Prices f.o.b. Toledo.

URGES PEOPLE TO FIGHT CATARRH WITH SIMPLE HOME MADE REMEDY

Can Make Pint at Home and Costs Little. Says Leading Druggist of Covington, Ky., Who Was Made Special Study of Catarrh.

Says: Inflamed Mucous Invite Influenza

People who say that catarrh is a disease not to be taken seriously are harshly rebuked by a Kentucky druggist who has for years been much interested in the growth of this loathsome, yet altogether too common disease.

He claims that the sore, tender, inflamed membrane of the nostrils and throat is a prolific breeding ground for germs—not only the germs of influenza, but many other kinds as well.

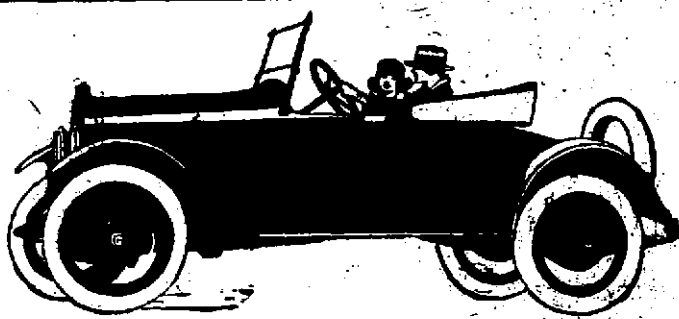

If people would only stop experimenting for two weeks and try a simple remedy made of Mentholized Arcine mixed with enough boiled water to make a full pint, half of the catarrh in this country would be abolished. It's really no joke for people

who don't know about this simple recipe to be constantly sniffing and sneezing, blowing and hawking. When all these objectionable symptoms as well as the foul discharge can be made to disappear in a few days.

For three-quarters of an ounce of Mentholized Arcine—that's all you need and after you have mixed it with enough boiled water to make a pint, gargle the throat twice daily and sniff or spray some up the nostrils, as directed.

The tender nostrils will soon lose their soreness, heal up, and be clean and healthy. Important Reminder: Just as soon as anyone in the family gets a cold in the head, check it at once with this same medicine.

Jenreco is the dentrifice that contains the properties recommended as ideal by United States Army Dental Surgeons

Hupmobile Roadster

We believe the Hupmobile to be the best car of its class in the world. For its Appearance, Comfort, Performance, Durability and Economy there is none other that will equal it in its class. To those who are competent to form right judgments from a discussion of mechanical details should study the specifications of a Hupmobile.

We have a roadster on our show room floor at present. Come and allow us to explain the fine points of "THE COMFORT CAR"

CHRISTENED BY MRS. ZANE.

Vessel Will Make 21 Knots and Will Be Manned by 1,022 Men and 58 Officers.

Mare Island, Calif., Nov. 20—America's greatest superdreadnought, the California, was launched here today.

Electrically driven, and said to be proof against torpedoes and mines, the California represents the first word in naval perfection. She carries the greatest armament of any vessel in the world.

Mrs. Randolph Zane, widow of Major Zane, who died of wounds received in France, christened the vessel. She is the daughter of Gov. Stephens.

The California has twelve 14-inch guns, four submerged torpedo tubes, 25 two-inch rapid fire guns, four 6-pounds, two 1-pounders, four 3-inch anti-aircraft guns and other guns of small caliber.

The ship will be manned by 1,022 men and 58 officers.

The keel of the California was laid Oct. 25, 1916, but during the war work was diverted to smaller vessels to combat submarines. The work was rapidly completed after fighting ceased.

The dimensions of the ship are:

Length over all, 624 feet; breadth, 96 feet; depth, 47 feet, 2 inches; mean draught, 30 feet 5 inches; displacement, 32,000 tons. She will make 21 knots and has a normal fuel capacity of 1900 tons.

The California is a veritable electrical ship. From firing of guns to ventilation, all is done electrically.

Her protection is said by naval experts to approximate 30 percent over the best of pre-war battleships.

COUNTY NEWS

Continued from Page 7.

Orange and Vicinity

Mr. and Mrs. George Murphy and Miss Helen Murphy of Gings Station were the guests Sunday of Mr. and Mrs. Gus Bowen.

Mr. and Mrs. Laverne Dunn and baby of New Salem spent Sunday here with Mr. and Mrs. Tom Matney.

Mrs. A. B. George and Mrs. Gus Bowen attended a party Friday afternoon at the home of Mrs. Charles Wilson of New Salem in honor of Miss Beniah Murphy, a bride-elect. Miss Murphy received many beautiful presents.

Mrs. B. F. Armstrong spent Sunday with her daughter, Mrs. Harvey Stevens, at Bunker Hill.

Mr. and Mrs. Roland Murray were the guests of the former's mother at Nulltown Sunday.

Mr. and Mrs. Tom Reed and family called on Charles Murphy Sunday afternoon. Mr. Murphy is slowly improving from his recent operation.

The meeting announced for the Christian church has been postponed until the corn husking season is over.

Mr. and Mrs. Jesse Gettinger attended church at Falmouth Sunday evening.

Mr. and Mrs. Silas Bowen have bought the farm of Henry Stone east of town and will move there soon. Mr. Stone will reside in his property here.

Mrs. Edward McClannahan who has been afflicted with ill health for several months, is slightly improved.

P. M. Stafford of Alpine was a business caller here Friday.

On next Tuesday evening, November 26 there will be an evangelistic group meeting at the M. E. church in Orange. The Rev. Kendall and Flannigan of Connersville, and Rev. Hester of Millon with the pastor, Rev. Taylor will conduct the services. A cordial invitation is extended to the public.

Mr. and Mrs. J. F. Fore and son, Mabel M. Fore of Rushville and Mr. and Mrs. Elmer Foreman and daughters of Dunlap, were entertained

PUT it flush up to Prince Albert to produce more smoke
happiness than you ever before collected! P. A.'s built to fit your smokeappetite like kids fit your hands! It has the jimdandiest flavor and coolness and fragrance you ever ran against!
Just what a whale of joy Prince Albert really is you want to find out the double-quickest thing you do next. And, put it down how you could smoke P. A. for hours without tongue bite or parching. Our exclusive patented process cuts out bite and parch.
Realize what it would mean to get set with a joy's jimmy pipe or the papers every once and a while. And, puff to beat the cards! Without a comeback! Why, P. A. is so good you feel like you'd just have to eat that fragrant smoke!
R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

Farm Products Increase 478 Percent in 25 Years

Farm products cost 478 percent more today than they did twenty-five years ago.

Comparing average prices today with those of 1893 the following differences are found:

	1894	1919
Wheat	.60	2.08
Corn	.20	1.35
Oats	.14	1.35
Butter	.10	.50
Eggs	.06	.40
Potatoes	.40	2.00
Hens	.05	.23
Roosters	.02	.15
Steers	2.50	17.50
Hogs	3.25	15.00

ed Sunday by Mr. and Mrs. Jesse McCauley.

Mr. and Mrs. D. Z. Williams of Glenwood called on friends here Tuesday afternoon. Mr. and Mrs. Williams expect to leave next month for Florida to spend the winter.

Mrs. Jesse Gettinger was a pleasing hostess for the Social Circle of the M. E. church Thursday afternoon. After an interesting program the annual election of officers was held. The following officers were elected: president, Mrs. W. T. Reed; vice-president, Mrs. B. F. Armstrong; secretary, Mrs. James Henry; treasurer, Mrs. John Heel; treasurer of flower fund, Mrs. Jesse Gettinger. The December meeting will be held with Mrs. Wilson Stewart at which time there will be an exchange of Christmas gifts. Mrs. Morris Young was the only guest of the circle. The hostess served refreshments of fruit salad and cakes at the close of the afternoon.

Scientists expect to find the earliest remains of primitive man in the vast plateau of Central Asia, north of the Himalaya mountains.

At All Drug Stores

There is a Dr. Scholl's

Appliance or Remedy For Every Foot Trouble
Nov. 17 to 22 will be Dr. Scholl's Demonstration Week
Fred McGinnis, A Graduate Practipedist
Will Demonstrate Foot Comfort Here

This store will signalize this nation-wide week of foot comfort demonstration by Grand Demonstration conducted by our graduate Practipedist. The scientific methods of relieving foot discomforts which he learned in the course given by the

American School of Practipedics

A Complete Line of Dr. Scholl's Appliances Always at Your Service

of which he is a graduate, will be put to practical use in correcting the causes of foot suffering in our patrons. YOU are invited to come in and let him carefully

Examine Your Feet and Advise You Free

No matter whether your trouble is severe or trivial, whether it is a mere corn or a badly fallen arch, the Practipedist can and will show you how it can be readily and quickly relieved. He uses the same methods which were originated and so successfully used by

Dr. Wm. M. Scholl

the eminent authority, in his work as a foot specialist.

Allowing our Practipedist to examine your feet will not obligate you in the slightest. He will merely determine what the cause of your trouble is, give you advice on foot care and show you how you can, when ready to do so, have that trouble corrected and gain

Real Foot Comfort.

BODINE'S NEW ERA

Are Your Hogs Worth Protection?

Isn't an ounce of prevention worth a pound of cure? If so, why not use NATIONAL HOG POWDERS. They are a preventative and a worm expeller that pay to use.

This Building
Pays Dividends

Good farmers found out long ago that the better livestock is housed the more it pays for its keep. A good barn, whether it be for dairy cows, mixed stock, grain storage, or general purposes, is a farm structure that never fails to pay dividends on the investment.

Build the Barn You Need

The barn shown in this cut is a big, complete, thoroughly modern structure. We have blue prints and working plans for it, and can give you complete and accurate cost estimates. If this building is too large for your needs, we have others, smaller in size, that may just suit you—and we have the plans for them, too.

NOTICE OF INSOLVENCY.

In the matter of the Estate of Joseph J. Murphy, deceased.
In the Rush Circuit Court. No. 5581.
Notice is hereby given that upon petition filed in said Court by the administrator of said estate, setting up the insolvency of the estate of said decedent to pay the debts and liabilities thereof, the Judge of said Court did, on the 6th day of November, 1916, find said estate to be probably insolvent, and ordered the same to be settled accordingly. The creditors of said estate are therefore hereby notified of such insolvency, and required to file their claims against said estate for allowance.

Witness, the Clerk and seal of said Court at Rushville, Indiana, this 7th day of November, 1916.
NOV-14-21 LOREN MARTIN, Clerk.

NOTICE OF ADMINISTRATION.

Notice is hereby given that the undersigned has been appointed by the Judge of the Circuit Court of Rush County, State of Indiana, administratrix of the estate of LaVerne McAbren, late of said county, deceased.

Said estate is supposed to be solvent.

MAHALA McAHREN.

November 6, 1919.

Attest: Loren Martin, Clerk Rush Circuit Court.

Erastus W. McDaniel, Attorney.

Nov-14-21

NOTICE OF FINAL SETTLEMENT OF ESTATE.

Notice is hereby given to the creditors, heirs and legatees of Christian Alter, deceased, to appear in the Rush Circuit Court, held at Rushville, Indiana, on the 6th day of December, 1919, and show cause, if any, why Final Settlement Accounts with the estate of said decedent should not be approved; and said heirs are notified to then and there make proof of heirship, and receive their distributive shares.

Witness, the Clerk of said Court, this 13th day of November, 1919.
LOREN MARTIN,
Clerk Rush Circuit Court.

Nov-14-21-20-Dec-5

CAMBRIDGE CITY IS
HERE FRIDAY NIGHT

Strength of Visiting Five is Unknown and They May Spring a Surprise on Locals

GOAL PRACTICE THIS WEEK

The Rushville high school team will meet the team from Cambridge City school here Friday evening. Little is known of the competing strength of the visiting team, and a surprise may be given the locals, as was given them in the game with Morrisstown.

The local team has been endeavoring this week to overcome some of its weaknesses as brought out in the game of last Friday night, when they were unable to put the ball through the hoop. Goal practice this week has helped them. A week from next Friday the locals will play their first game away from home, and will try to avenge their defeat of last Friday, as they will meet the Spiceland team on their home floor. Spiceland plays at Newcastle tomorrow. Arlington will play New Salem here Friday night for a certain reason. The local second team will not play.

FULL OF GOLD; HAD THE GRIP

This has been such a trying year for sickness, that many will be pleased to read how Lewis Newman, 506 Northland St., Charleston, W. Va., was restored to health. He writes: "I was down sick and nothing would do me any good. I was full of cold. Had the grip until I got two bottles of Foley's Honey and Tar. It is the best remedy for grip and colds I ever used." Good for grip, coughs, croup, whooping cough and common colds. F. B. Johnson. (Adv.)

The X-ray is being applied successfully to pearl fishery the ray detecting the presence of the pearl without requiring opening the shell-fish.

TAKE

PEPSINCO

the best remedy for indigestion that ever came out of a drug store.

You know that pepsin is good for indigestion but pepsin could never do what PEPSINCO will. We have built in medicines so strong enough to know the reasons, uses and value. We unhesitatingly say that PEPSINCO is the best remedy for indigestion, gas, flatulency, food distress, sour stomach and pains under the ribs, that ever came out of a drug store. Sufferers of indigestion and dyspepsia will do well to take PEPSINCO.

Ask your druggist—he sells and recommends Pepsinco.

Coffee—The Perfect Drink

THE CANBY, ACH & CANBY CO.
DAYTON, OHIO

SOLD BY CHARLES C. BROWN — PHONE 1861

SHOWS THE VALUE OF FERTILIZING

County Agent M. F. Detrick Has Compiled a Table as to Amount Used by Farmers

DON'T USE ENOUGH, HE SAYS

225 Pounds to an Acre of Wheat Produces 20.1 Bushels—No Fertilizer Shows 13.3 Average.

The threshermen cooperated this past summer with County Agent Detrick in making a survey of the kind and amount of fertilizer used by Rush County farmers, on wheat and the effect on the wheat yield. The work of summarizing these reports has just been finished and some very interesting facts have been brought out.

The reports were classified on the basis of the amount of fertilizer used, placing in one class those using no fertilizer, in another those using less than 125 pounds, in a third class those using 150 to 199 pounds, and the last class those using 200 pounds or more. The average quantity used in these classes pounds respectively. The average yields per acre were as follows:—Unfertilized, 13.3 bushels per acre; 125 pounds of fertilizer per acre, 17.4 bushels; 175 pounds per acre, 18.4 bushels; 225 pounds per acre, 20.1 bushels. The different quantities of fertilizer gave increase of 4.1, 5.1, and 6.8 bushels respectively. Figuring fertilizer at \$32.00 per ton and wheat at \$2.08 per bushel there is a net profit on the fertilized plots over the unfertilized of \$6.53, \$7.81, and \$10.54 respectively.

The interesting fact about these figures, is that they show that the larger quantities produce the largest net profit, and that the percent of profit on the last addition is almost as great as on the first 125 pounds.

The application of 125, 175, and 225 pounds per acre made 326, 279, and 293 per cent interest on the investment, after paying back the original cost. This is an enormous interest rate.

One of the big problems before the farmers today is to determine how high this quantity of fertilizer can be raised and still get back the original investment and a good net return on the last additional quantity of fertilizer.

Unfortunately, no great amount of data is available to shed light on this subject but what there is indicates that the limit is not yet reached at 225 pounds.

The average of the threshermen reports also show that acid phosphate and mixed good, throwing all kinds of mixed goods in one group, both yielded exactly the same, 18.4 bushels per acre. The average quantity of acid phosphate was 153 pounds, and the average for mixed goods was 155 pounds per acre. At the prices prevailing this fall acid phosphate would sell for \$26.75, and the average price of mixed goods would be in the neighborhood of \$32.00 per ton.

SCARCITY OF WHITE PAPER PREDICTED

Paper is Being Used 20 Percent Faster Than it Can Be Made With All Paper Mills Running.

PRICE IS ALSO GOING UP

So serious has the shortage of newspaper become that at the annual meeting last week of the American Publishers Association, which comprises practically all the large daily newspapers in the United States, that active steps were taken to meet the deficiency. Paper is being used 20 percent faster than it can be made with all the paper mills running. This means that in a short time 20 percent of the newspapers will be without stock to print on, or that more of them will be without stock part of the time. Many of the larger papers own their own mills so that the loss will fall on dailies in cities with less than 500,000 population.

Three years ago the price of newspaper was a little over two

A Rare Smoothness of Action

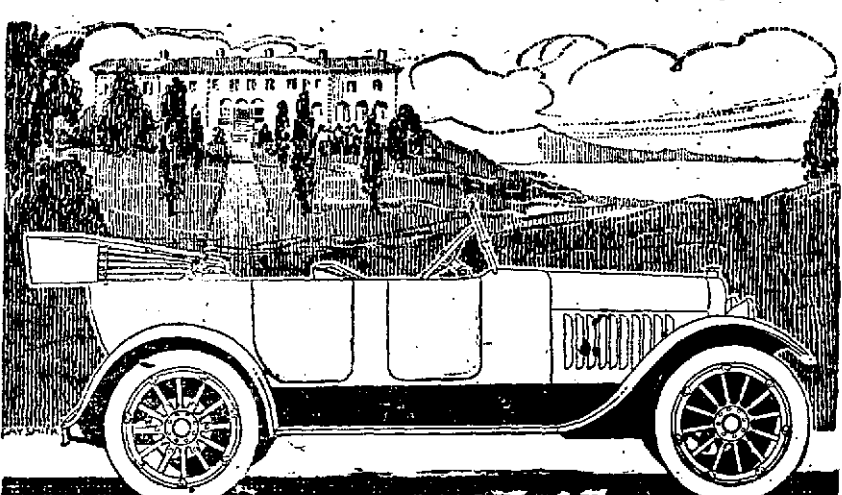

Quality First

THE thing you will like best and remember longest about a Hot Spot Chalmers is its rare smoothness of action. You will note an absence of "effort" about its motive power. You will sense almost no vibration, no jars, no engine noises. That is because Hot Spot "cracks up" the gas into an extremely fine vapor and Ram's-horn hurries it to the cylinders so that gas condenses but little enroute. There are no sharp corners or abrupt bends in Ram's-horn to impede its progress. If the Chalmers engine had windows you would be amazed at the miracles performed with gas. But when you drive a Hot Spot Chalmers you will note the results obtained, and you, too, will say Chalmers is one of the few great cars of the world.

\$1685 f. o. b. Detroit.

Geo. C. Alexander

Sale of Personal Property

Notice is hereby given that the undersigned executor of the will of Lulu F. Palmer, deceased, will offer for sale at public auction, at the late residence of said decedent in Union Township, Rush County, Indiana, situated seven miles northeast of Rushville, and two miles northwest of Gings Station, on

TUESDAY, the 25th Day of NOV., 1919, the personal property of said estate consisting of the following:

- One 6-year-old Draft Horse, sound.
- One Draft Mare in foal, smooth mouth.
- One Black Driving Horse.
- One 6-months-old Mule Colt.
- One Jersey Cow.
- One Jersey Heifer.
- Six Brood Sows.
- Fifteen Gilts.
- Thirty-nine Shoats.

And farming tools of all kinds consisting of wagon, breaking plow, spring-tooth harrow, spike tooth harrow, disc harrow, hay rake, mower, spring wagon, two buggies, gravel bed and numerous other farming tools, also hay and corn belonging to said estate. SALE WILL BEGIN AT 12:30.

TERMS—All sums of \$5.00 and under, cash; over \$5.00 a credit of six months will be given, purchaser executing his note therefor without interest with surety thereon to the approval of the executor.
